The Bravest Battle

The bravest battle that ever was fought!

The bravest battle that ever was fought!

On the map of the world you will find it,

On the map of the world you will find it,

Just once upon a recent day,

Just once upon a recent day,

When the world got all together,

When the world got all together,

The bravest battle that ever was fought!

The bravest battle that ever was fought!

No larger, and no smaller,

No larger, and no smaller,

Yet, faithful still as a bridge of stars,

Yet, faithful still as a bridge of stars,

On every side the highway,

On every side the highway,

Nay, not with arrows or battle shot,

Nay, not with arrows or battle shot,

Yet, faithful still as a bridge of stars,

Yet, faithful still as a bridge of stars,

On every side the highway.

On every side the highway.

The bravest battle that ever was fought!

Bates State Meet
Reports are coming in from the
state meets in various sports, and
Bates is in first place in all of them.
Alma Adams, for instance, is in
first place in the women's track
meet. She is the first of the team
to be attracting a lot of attention and
knowledge of the sport.

The reputed expense involved...

Joe Gordon, the noted sports
writer, who has done much work
for the team, was right when he
said that the sport was coming
back. It is not going to be as
popular as the other sports, but
it will be attracting a lot of interest
in the future.

The calm Gene Tunney. about to face
Clay. . .Said yesterday's chapel speaker:

"We're investigating what looks to be
a new track meet. The cost involved will
be well worth it."

We hope that the meet will be
successful. If it is, it will be the first
of many more.

On the other hand, the game
is going to be played by the
students of the school. We hope
that the meet will be successful.
