Possibility of War
Says Speaker Before a Group

The possibility of war in the
future is a possibility that
the annual meeting of the
Colby College students was
recently presented before the
senior class of the Colby Col-
lege students by Rev. Charles H.
Helsley, the chaplain of Colby.

On the question of the possi-
bility of war, he said that peace
was the only possible solution
of the world's problems.

PRES. GRAY ON STATE BOARD
CHOOSING RHODES APPLICANTS

Is Chairman Of Committee—Two Candidates To Be Selected—Three Bates Graduates Rhos Scholars

By GEORGE R. DUNPHY

Following the announcement of the annual competition for Rhodes students, President Gray has been asked to preside as chairman in the selection of State board scholarship candidates. Another annual competition for Rhodes students is that President Clifton D. Gray has been asked to preside as chairman in the selection of State board scholarship candidates.

In the many years that Rhodes scholarship candidates have been granted, two from the United States, two from the University of Oxford with an annual stipend of $2,000. Scholarships have been granted to two Bates students—Robert Simons, Gordon Martin stand out as the most capable.

The Social Science departments of Bates and Colby colleges, which have many strong students, will represent the state in the state committee. Bates Professors Attend Me. Social Science Meeting

Prof. Carroll Elected Chairman of Conf. Next Year

TheScott Social Science professors of all the Maine colleges are expected to attend the annual social science conference held on Friday and Saturday of this week. A meeting of the professors and students of the University of Maine, Bates, Bowdoin, Colby, and Castleton was held at the Guinness Lecture Hall on Friday evening. The meeting was presided over by President Carroll, chairman of the committee who has been presiding over this meeting the past few years. The meeting was divided into two sections, the first on the social science and the second on education.

For next year, Professor Carroll of Bates has been chosen chairman of the committee. Professor Carroll will be secretary.

THE BATES STUDENT, FRIDAY, OCTOBER 27, 1933

Page 3

The very heart of Lucky Strike's fine quality is choice tobaccos—ripened by warm sunlight, rich soilds and gentle rains. Right now, up to $100,000 worth of fine Turkish and Domestic tobaccos, the Cream of the Crop, are aging and mellowing for the makers of Lucky Strike. For only a special selection of choice tobaccos is used in making your Luckies so round, so firm and fully packed—free from loose ends. The reason why Luckies are always the same in mildness, smoothness, in delicious taste.

"It's toasted"

FOR THROAT PROTECTION—FOR BETTER TASTE

ALWAYS the finest tobaccos

ALWAYS the finest workmanship

ALWAYS Luckies please!
R. H. Threlfall, Ex-Bates Coach
Now at S. Dakota
Graduated From Purdue In '27—Was Here Three Seasons

A former student at Bates College has become a permanent member of the faculty at South Dakota State College. R. H. Threlfall, known to most of us as Bud, is now head football coach at that institution.

Bud, who has taught and coached for several years, has been quite active in football. He played for the University of Idaho and served as captain when they were state champions in 1922.

He has made several football tours and has been selected to be on the college football team in every season since he entered the university. His coaching career has been outstanding, and he has developed many fine players.

Bud is a native of Maine, and he has been associated with the athletics of Bates College for many years. He has been a successful football coach, and he is well liked by all who know him.

He is married to the daughter of the late Dr. Sprince, who was a well-known athlete at Bates College.

JUNIOR GIRLS HAVE THORNCRAG PARTY

The first each of the year's parties for the Junior girls was held last week. The Junior girls of the class of 1934 have a number of activities planned for the coming year, and they are looking forward to a successful year.

The party was held in the Thorncrag dormitory, and it was well attended. The girls had a lot of fun, and they were all dressed up.

The party was planned by the Junior girls of the class of 1934, and it was a great success. The girls are looking forward to many more parties of this kind.

Frosh Harriers Meet Farmington This Afternoon

Whole Squad To Run—Stevens Likely To Cop First

This afternoon the Frosh Harriers will meet the Farmington High School Harriers in an invitational meet. The Frosh Harriers are expected to win, and Stevens is likely to cop first.

The meet will be held on the Farmington High School track, and it will be a real test of the Frosh Harriers. The Farmington High School Harriers are a strong team, and they will be a good challenge for the Frosh Harriers.

THE PHYSICS DEPARTMENT

The Physics Department is planning a number of activities for the coming year. The department has a number of excellent equipment, and it is well equipped for research.

The department is planning to hold a number of lectures and seminars, and it is looking forward to a successful year.

The department is planning to hold a number of lectures and seminars, and it is looking forward to a successful year.
