LAST WEEK'S ELECTIONS

The British Labor Party is greatly excited over the results of the December 26th general election. They entered a new hope of realizing their political aims after their overwhelming victory. "It is a victory," said Mr. Winston Churchill, "and a victory of the British people."

The results of the election indicate a strong desire among the British voters for changes in the government's policies. The new Labour government will have a clear mandate to address the country's needs and concerns.

ANTHRACITE HUB

Pennsylvania, in a recent editorial, praised the success of the anthracite hub, which has helped boost the region's economy. It highlighted the hub's role in generating new jobs and supporting local businesses.

We are proud of the efforts made by the anthracite community to overcome challenges and continue growing. We look forward to seeing more progress in the coming years.

A Plethora

The editorial board was written as a result of a recent meeting discussing the importance of continued improvement in our community. It's a call to action for everyone to contribute to its success.

There are 6 types of home-grown tobacco that are best for cigarettes.

**BRIAR TOBACCO**

C. S. Type II, 12, 13, 14

**BURLEY TOBACCO**

C. S. Type 31

**SOUTHERN MARYLAND TOBACCO**

C. S. Type 82

**U. S. Type 11** produced in the Piedmont Belt of Virginia and part of North Carolina.

**U. S. Type 12** produced in eastern North Carolina.

**U. S. Type 14** produced mostly in southern Georgia—a few million pounds in northern Florida and Alabama.

**U. S. Type 31** includes what is called White Burley tobacco. This fine produced by George Webb in 1864.

There is light in color and body, and the Burley is milder than the Burley used for pipes.

BATES GEOLOGY STUDENTS TO
ESTABLISH WEATHER BUREAU

Will Attempt To Forecast Weather For This
Section Of Maine From Day To Day

Under Direction Of Dr. Fisher

Students in Geo-321 under the direction of Dr. Lloyd W. Fisher are making the necessary preparations to establish a weather bureau for this section of Maine. The bureau will be established in the department office in the_shell of the library building, under the direction of the department head. The members of the bureau will be students enrolled in Geo-321, and the work will be conducted on a volunteer basis. The students will be responsible for observing and recording weather data, and for preparing forecasts based on their observations. The forecasts will be issued on a daily basis, and will be available to the public through the departmental bulletin board and other media outlets.

BATES-COLBY GAME

Continued From Page 3

Frosh Gridmen Win 12-6 Over M. C. I. Eleven

Marcus Makes 55 Yard Run For Touchdown

The Frosh Gridmen wound up the game last Friday with a win over Maine College Institute. Marcus scored on a 55-yard run after catching a pass from Bilsky in the second half. The Frosh were led by a strong performance by Marcus, who scored twice and ran the ball effectively. The result was a 12-6 victory for the Frosh over M. C. I.

AWARD LETTERS TO VARSITY HARRIERS

At a meeting of the Athletic Council in the fraternity house on Friday night, the following awards were presented to Bates College varsity harrivers:

- The Most Valuable Player Award was given to Paul Bean, of the football team. Bean was outstanding in his performance during the season, earning a total of 25 points in various games.
- The Captain's Award was given to Bob Saunders, of the track team. Saunders was a leader on and off the field, and was a key player in the team's success.
- The Most Improved Player Award was given to Damon Stetson, of the cross-country team. Stetson showed significant improvement throughout the season, finishing second in the Maine State Championships.

STATE YMCA BOYS' MEETING TO VISIT CAMPUS, SATURDAY

College To Entertain With Track Meet, Basketball Games, Soccer, Wrestling, Handball, Squash Exhibitions

The delegate to the state Y.M.C.A. boys' conference, Mr. T. F. B. Simons, will be in Lewiston this week-end with an inspection party to visit Bates College and other institutions in the state. The conference will be held on Saturday, and will be attended by boys from all over the state. The Bates College boys will be able to show their1933 records, and will be challenged to improve them in future years.

STATE COUNCIL MEETING

The State Council meeting is due to be held on Monday, and will be attended by representatives from all the state colleges and universities. The meeting will include discussions on various topics, including athletics, student life, and campus improvement. The Bates College delegation will be represented by Mr. Seamon, and will be responsible for carrying out the council's decisions on behalf of the college.

The telephones will extend for the duration of the conference, and will be available to all those attending. The conference will be held in the college hall, and will be preceded by a banquet in the college dining hall. The banquet will feature speeches and presentations by various guests, including Mr. Seamon.

Couple Action Shots of Bates-Colby Scoreless Deadlock

Although the Bates football team has not faced a scoreless tie in many a year, last Saturday afternoon, when the Bobcats and the Bobcats met at the Seaverns Field, Waterboro, the outcome was a scoreless tie.

The game with Maine created a deserving of the other tackle berth. Low of Bowdoin seems our mind. Low of Bowdoin seems their share of the glory from the unsung heroes of the past football season. He had never made a trip before till he took of Sam Scolnik. He had never had the varsity duties duo to the going to run along smoothly."
