DOROTHY RANDOLPH IS RAMSEY'S PRES.

Dorothy Randolph '35, was elected treasurer. Good authority has it that Dorothy, of the Class of '35, is a native of the state of Maine. As treasurer, she is to be the financial officer of the college for the year. She will be responsible for the financial transactions of the college, and will also serve as a member of the executive committee.

Other people notice them—even the professor arrives to find them. They are: Miss Dorothy Randolph '35, who is the new treasurer; Miss Florence Larrabee '35, who is to be the secretary of the college; and Miss Elizabeth Boscock, who is the new president of the college. These three students are comfortably, if not well, seated in the college, and are readily noticeable by their presence.

Also important in their share of the college business is Miss Dorothy Randolph '35, who is the new president of the college. Dorothy, of the Class of '35, is the retiring head of the Student Body. She is to be the president of the college for the year. She will be responsible for the general welfare of the college, and will also serve as a member of the executive committee.

Watch out for the telltale signs of jangled nerves

Other people notice them—even when you don't! Little nervous habits that are the danger signal for jangled nerves. And remember, right or wrong, people put their own interpretations on them. So it pays to watch your nerves.

DO NATE MEMBERS?

As we begin our last column for this year, we would like to say that if you feel the year just passed was without the usual good times, we hope you have overlooked them. This is another attempt to express our appreciation to the coaching staff and to all those who have been working so hard to grant our girls the privilege of being able to participate in the games. If you have missed any games, make sure you watch them next year. We sincerely hope to have you join us at our next game.
