Sudden Death of Triangle McNally Shoots Students

The college community was deeply shocked yesterday morning when the body of Robert McNally, a member of the Triangle Club, was found late yesterday afternoon in a cellar under the Administration building. The body was discovered by a janitor who was making his rounds, and an investigation is being made in connection with the death.

McNally, a junior, was last seen in the Triangle Club late yesterday afternoon. His body was found lying on the floor of the cellar, with a gun in his hand. The cause of death is not yet known, but an investigation is being conducted.

An autopsy will be performed today, and the results will be announced later.

An autopsy will be performed today, and the results will be announced later.
The Bates Weather Service, operated by the department of Physics, Chemistry, and Biology, sends out forecasts for the college campus. A card with the report is given to the students each day. The forecasts are based on observations made at the college and on reports received from various sources. The service was established in 1933 and has been continued ever since. It is sent out in the morning and evening, and in the case of the evening, a card is also sent out on Saturdays. The forecasts are read by the students in their dormitories, and in the case of the evening, by the students in their rooms. The forecasts are also sent out to the college authorities, and in the case of the evening, to the students in their rooms. Veesey Wins In Cross Country
Northeastern University Captures Win In Saturday Meet

Vessesey, a freshman, captured the title in the first Cross Country meet of the season. Northeastern University captured the individual championship with scores of 78, 122 and 9 for the first, second and third place teams respectively. The Bates College team was fourth, with a score of 146.

Coach Thompson was well pleased with the meet as the second and third men, as the team scored enough to make up for the lost ground suffered in the first race. He said that the team had been trained thoroughly and that the meet showed the results of the training.

Bates Tackles Maine In Series Opener

FROSH PLAY KENTS HILL ON FRIDAY
Bobkittens Eager To Try Claws In Their First Game

Bates will play at Kents Hill on Friday. The Bobkittens are eager to try claws in their first game. They have won and that any school its size could scarcely duplicate.
