THE WELLMAN PROCESS does this...it makes the tobacco act right in a pipe—burn slower and smoke cooler.

In the manufacture of Granger Rough Cut Pipe Tobacco the Wellman Process is used.

The Wellman Process is different from any other cutting method and we believe it gives more enjoyment to pipe smokers.

...it makes the tobacco act right in a pipe—burn slower and smoke cooler...

...it makes the tobacco mild...

...no gray residue or heat in the pipe bowl.

**Bates Bows To Maine In Hard Fought Battle**

Powerful Maine Eleven, Outrushed In First Half Returned For Two Well-Earned Scores; Crippled Bates Team Plays Noble Ball

**FULTON, CLARK, MENDALL: OUTSTANDING IN LINE**

**ABSENCE OF STONE AND SULLIVAN Felt**

A powerful Maine eleven, rushed off to a first half lead of 12-0, weathered a strong Bates rally in the second half for a 24-6 victory Saturday.

The biggest news was that Bill Stone and Wes Sullivan, both of the starting line of the Maine eleven, were out for the day. The absence of Bill Stone and Wes Sullivan was felt acutely in the second half for a Bates team which was light, weighing around 175 pounds.

Stone, a tackle, was playing his third consecutive game at guard the state series has been in line for all state honors rather lightly, weighing around 186 yards with the wet ball.

The Maine eleven in the face of a strong comeback by the Bates team, came back strong to score a pair of touchdowns in the first half. Maine was given the ball on the Bates 41.

The first score came midway in the third quarter. Clark fanned out a pass to Bobbi, a fullback, to the Maine 11. The Maine eleven was given the ball the period ended.

The second Maine score was helped by a送上my 84 yards on a pass to Bobbi. Maine was given the ball on the Bates 41, the period ended.
