THE VICTOR OF SYMPHONY

By CHARLES O'CONNOR

This book makes a new approach to the understanding and appreciation of music. It is written for the general public who have never been exposed to music. The author has made it easy to read and understand the complexities of music.

Colby Sextet Defeats Bates

Colby's state champion hacker set a record for the most successful attempts in a college tournament by the Bates Sextet last Friday evening. Colby won the tournament with a score of 1,200, while Bates finished second with a score of 1,100. The match was held at the Bates College Union.

The second game was won by Bates, 6-2, over theSupported by the fine playing of two new-

Giving everything they had in an effort to get the better of the Seniors and Freshmen, the Bobcat Track Team was to be seen tearing through the stands in Midway Field. A good basis for the time being to have to be developed to bolster up the squad for the tough schedule next year and there is no time like the present to start. Incidentally three games will be played here in the fall as to give the students a real chance to come to the field.
