THE ELECTION of the senior class as the "Student" was a choice of the members of the class who are to hold various offices next year. The election is an important event in the life of the class, and the results are considered as a measure of the popularity of the candidates. The candidates who are elected are expected to continue the good work of the class and to serve the interests of the students.

The election was held on the afternoon of the 12th of May, and the candidates were: For President, William Simpson; for Vice-President, Mark F. Brown; for Secretary, John G. Martin; and for Treasurer, Richard Loomis.

The candidates were chosen by a vote of the senior class, and the results were announced immediately after the election. The candidates who were elected will begin their duties on the first day of classes in the fall.
