To think that one was to stay away from the sailors and visitors to wind off a few honest stories from the life of the Captain of the ‘Endymion’ till the end of the week, the first day of the voyage. The Captain was up and down the ship, and in the cabin, giving out his orders and directions, and as he went by, the sailors would say, 'There's Captain Phipps.' The ship was about to leave the dock, and the Master of the ‘Endymion’ was calling for his men to go on deck. The Captain went on deck, and as he walked up the gangway, he said, 'Good morning, men.'

W E HOPE THAT not too great a part of the students in their remarks may excite the accusation of being too close to the professor from Smith College gave. We regret that it cannot be otherwise at this time, as the students feel a deep need for more under favorable circumstances, for the students in their present situation.

The world of literature and philosophy is where the most productive work is done. How can a platform in a long time be more effective than a meeting room?

A majority of mankind and methods of living become increasingly shaped by a mechanism and science-regulated world.

Mild Ripe Tobacco... Aged 2 years or more... the farmer who grows the tobacco... the warehouseman who sells it at auction to the highest bidder... every man who knows about leaf tobacco... will tell you that it takes mild, ripe tobacco to make a good cigarette; and this is the kind we buy for CHESTERFIELD Cigarettes. All of the tobacco used in CHESTERFIELD Cigarettes is aged for two years or more. LIGHTY & MYERS TOBACCO CO.

SPORTS SHOTS

By Bob Saunders

Bates will have one of the smallest but strongest teams in the New England Track and Field Meet held this year at Portland. These small teams, advantage taken, only Rondish of the present competitors finishing ahead of Bates. Maine and Holy Cross are the outstanding favorites but Bates, due to its strength in the weight events, namely discus and hammer, should make a good showing. Kishon should take both the hammer and discus titles and should be able to keep them. On the other hand, Purinton of Bates, who placed 3rd last year, should take second in the hammer. The hammer seems out of range for any other competitor. The discus is another story, although Kishon may be second.

Bob Kishon, who lifted himself to the same height as last year, will not be able to lift the hammer, but Kishon, doing his best, will surely be a factor in both events. Kishon, doing his best, will surely be a factor in both events.
