THERE'S A LOT OF WORK TO DO at a football game. That life is led to a high pitch and that it is rather easy for all of us to gain the necessary amount of oxygen and to enjoy some good food. The resulting feeling of satisfaction makes it possible for us to return to our studies with renewed interest.

The best way to do this is to entertain your friends with a football game and to make your game a success. There is nothing like a football game to make a man feel alive and to give him a sense of accomplishment.

Tony Kishon Tells Tales Of Western Sport

Says Individual Eastern Athlete As Good As Westerner

Barney Martyn

Tony Kishon, Bates star track man, returned to school last week with a wealth of thrilling stories. Tony won the Eastern titles in the 100-yard dash and the 220-yard run. Small wonder that he is so enthusiastic about the Eastern championship. Tony says that in previous years the Eastern meet was considered the only important meet for Eastern runners. This year, however, due to the great efforts of the Westerners, the meet was made a genuinely exciting contest. Tony says that the Westerners are destined to win a great deal more than in previous years. This was his first time down to the East, and he expects to be back again before long.
