LETTERS TO THE EDITOR

Action, Not idle Talk

To the Editor:

Your column on "A Case for Women" (October 29) landed on the department's door last night, and I opened it with great interest. It is a revealing article, and I wish that all college girls who read it would take time to think through the implications of what they are reading. It is a revealing article.

Sincerely yours,

Kenyon Witheridge

Musical Notes

By Gene Freeman

The Bobcat Men's Chorus which performed Saturday night, was on a high pitch of harmony and musicality. Directed by Professor Quimby, the group sang a variety of songs, including some new arrangements which were very effective. The audience was thoroughly entertained, and the performance was a credit to the chorus and to Professor Quimby.

In the next issue of the Bobcat, we will feature a history of the chorus and its accomplishments. Keep an eye out for it.

Sincerely yours,

Gene Freeman

PATHS OF GLORY

Handley (Cats)

DON FERNANDO

W. S. Marshall (Courtly Fantasy)

The path of glory is not always easy to find. It requires courage and perseverance, and often involves suffering and sacrifice. But for those who are willing to take the path of glory, the rewards are great.
