Miss Gloria Hollister, Zoologist, Naturalist, Will Lecture Monday

Gives Illustrated Lecture, "With Beebe In Bermuda," In Chapel Under Colby Chase Fund Auspices

PROFESSOR RESEARCH SCIENTIST HOLDS "FISH MAGIC," A PROCESS BY WHICH UNDISSECTED FISH ARE MADE TRANSPARENT HAS AIDED MARINE INVESTIGATION

There are a lot of people who have told good stories about fish which got away. Glenn Hollister, second George Colby Chase Lecturer of the year, tells about the fish that didn't get away.

"With Beebe in Bermuda," is the title of the illustrated lecture to be delivered by this attractive woman scientist, in the Bates Chapel at eight o'clock, Monday night, January 26th, under the auspices of the George Colby Chase Lecture Fund.

Students Vote On Proposed Fee Revision

"Mirror" May Be Placed On Or More Financial Basis

STUDENTS, COLLEGE WOULD BOTH BENEFIT

During the Assembly Thursday afternoon Mr. Devis proposed to take on an idea which the Student Council has been considering for some time, and which would make it possible for the college to finance a "Mirror" at a smaller cost than has been the case in the past.

The proposition was that the college would finance the operation of a "Mirror," and the Student Council would assume the responsibility for the general management of the magazine.

Revolutionary Discovery

In the 15th of last month the American Limited was involved in a collision that seems to have been a world's record. The train was running normally, when suddenly the engine seemed to lose control and went askew, so that the coach had to reach around the front of the train in order to disengage it. The engine then ground to a stop, and the whole train was thrown into confusion. The passengers were panic-stricken, and a number of them were injured. It is reported that the engineer in charge of the train was thrown from the cab and died instantly.

Trustees Vote For Additional History Prof

Also Approve Purchase Of Women's Union House

On Tuesday, January 11, the Board of Trustees of Bates College held its meeting in Chase Hall. Among the business transacted at the meeting were the following:

- The Board of Trustees voted to purchase the Women's Union House for the sum of $25,000. This house is located at 150 Water Street, and is situated on a plot of land which is bounded on the north by the leading street, on the east by the railroad, on the south by the river, and on the west by the railroad tracks.

- The Board also voted to establish a new professorship of history, to be held by a person of distinguished ability.

- The Board further voted to increase the endowment fund by $50,000, to be raised by subscription from the alumni.

Debaters Will Meet M.I.T. And Mount Holyoke

Supreme Court Powers To Be Discussed By Varsity Teams

CALL OFF HOLY CROSS

Members of the Bates debating squad are scheduled for action on February 11th when the team will meet the Massachusetts Institute of Technology and Mount Holyoke College in a doubleheader. This will be the first time that the Bates team has faced M.I.T. on the home floor, and the game promises to be a thrilling contest. The Mount Holyoke team, which has had a checkered history in recent years, is expected to be a formidable opponent. The Bates squad, under the able guidance of Coach E.J. Harlow, has been shooting up to the top of the list in recent weeks, and is looking forward to a good showing in this meet.
**Over Self-Esteem**

A short time ago a Bates chapel speaker said something to the effect that college girls have a "false sense" of self-esteem, and the author of the essay to which he referred entered upon a discussion of the subject of self-esteem. It was the opinion of the author that the college girl was definitely influenced by religious and other sources to consider herself above other people, and that the self-esteem is not justified.

Of course some people exist who do not consider the question we are speaking of as a real one. In any event, it is not justified to multiply these things in the nature of a "supposed" or "true" nature. We think that the assertion that the self-esteem is not justified is not justified.

To those who have religious convictions along the lines of the idea of "self-esteem," the word is not an important thing. Some people believe that self-esteem is a part of the religious life, and thus think of it as a part of the religious life. This is not the case.

The question of whether or not self-esteem is justified is a matter of whether it is justified to have a "false sense" of self-esteem.

39-27, 33-25 Scores As
Ex-School Stars
Show A Comeback
Feats
Furthermore, the states showed great
promise in their coming seasons. The contests
of the entire season have been
brought into the arena by the
over-excitement. The composed
games were a mixture of the
senior, junior, and sophomore
teams. The briefest moment
in the three-game series was at
the beginning of the first
quarter. The seniors hit the
lead by a 7-point margin for
the entire game. Timed scoring
formations. But Johnny
Woodbury, former South Portland
captain, was a star in the
backcourt. His beautiful running style and
remarkable competitive game carried him as a "natural."

Bucky Cook's decision to leave school to carry on the business of his
late father is greatly lamented on the campus, especially by the
track team which was a crack two mile team and a good chance for
the New England title next spring. The former Massachusetts
intercollegiate half mile champion made a great name for
himself at Bates, being credited with the cage record of 2
the LCM in the cage, more than two seconds under the old mark
made against the current ICA, 800 meter champ, Ken
S. He devoted all his time to track at Bates but was a star in the
backcourt. At Worcester Academy. His beautiful running style and
remarkable competitive game carried him as a "natural."

The other high points for the two Ward teams were 
1. The $100 scholarship offereed by the school
2. The new flag for the Sophomore team
3. The new trophy for the Freshmen team
4. The new banner for the Seniors team
5. The new cup for the Ex-School Stars team
