Presentation is Marked By Much Psychological and Physical Action; Has Been Named As Favorite in Drama Classes Here

The 4-A Players will close a most successful season with performances of Clemence Dane's powerful play, "Granite," on tomorrow and Friday evenings at 8:00 in the Little Theatre. The presentation will be a memorable one for the future students, and a welcome addition to the program of events for the disfruntute.

The play is based on the true story of the tragic affair that took place in the little town of Batesville, Indiana, in 1925. It tells of the love and marriage of a young couple, who were forced to overcome many obstacles in order to be together. The play is a masterful piece of theatre, and is sure to be a hit with audiences everywhere.

AFT THURSDAY a solitary individual—tall, bland, with
popsy build—alerted from his slumber in the Philadelphia
press rooms.

Tired from a trip of nearly seven hundred miles, he found
no friend to greet him. Friday afternoon, and evening telegrams in Lewiston and in
other parts of the country bemoaned with queries, “Any word on
Kish?” at the Penn Betsy. “Have they begun to pay for me to
there?... Fifths in the shop!... B... Tinkle... Thank you.”

Friday evening, Betsy hotel lounges discuss the day’s
activities, anticipate Saturday’s events.

A student—suffering from erudition—asked his friend if
he knew that Kishon got a second and fifth?... Yah, second and
fifth... Tony, good, goat.

Bates Pastimers Chased By Tough Luck On Boston Trip

Team Returns From Tour Of Baseball Losses

Victims of B.U., N.U., and N.H. Get Experience For State Series

Bates returned from a rather disheartening tour of New England last week with no state victories to its credit. This was caused by the fact that the Pastimers were simply no match for the strong state teams of the N.E., which was by far the best team of the three.

Bates was defeated by a score of 10-1 by the Kings of the N.E. and 9-2 by the N.H. The N.U. team defeated Bates 6-4.

The Pastimers played their last game against the local Monmouth club. The score was 5-4 for Bates.

Freshmen Squeeze Out Victory From Rumford, 86-58

The Freshmen track team had things their own way in their recent meet against the BC Foot-Ants.

George Lykken, with two first and a second, led the way for the Freshmen. Lykken was aided by Timmy Johnson, who scored a first and a second.

The Freshmen scored 134 points to the BC's 118.

After the first winter season ended, Coach Shull decided to have a tryout for the spring track season. The tryout was held at the track.

Springfield includes all those interested in the team sport. All the classes are preparing for the final contest with the professors.

The firstль game was held against Springfield College. The Freshmen scored 134 points to the BC's 118.

Hill has called quite a number of the games in the season.

If you are looking forward to a larger number of freshmen joining the team, this is your chance. The team is looking for new members.

History tells us that when Christopher Columbus' sailors took tobacco back home with them everybody hailed it as one of the first new pleasures in years.

Today tobacco gives more pleasure to more people than ever before.

Many different claims are made for tobacco, but most everybody agrees on this.

Smoking is a pleasure and the cigarette is the mildest and purest form in which that pleasure can be enjoyed.
