Graduation To Have Popular Dance Band

Tom Hudson and Eddie DeLange Will Bring Orchestra

The Senior Class, following the precedent set by John Snow '28, has come up with the most exciting dance band for the Commencement Dance to be held June 15th.

The Hudson-Delange orchestra, nationally known dance band, has played, in the past, for such stars as Bing Crosby, Ella Raines, and many others. Eddie Delange, well-known writer on songs, has added to his list of songs to be sung at the Commencement Dance.

The other half of this combination, Tom Hudson, is equally well known on the campus—more than there are songs of 1935. Tom Hudson and Eddie DeLange are coming to Bates College June 15th.

Track Team Races In 37th State Meet At Orono; Has Chance To Nose Out Maine

Strong, Balanced Team May Bring Trophy Back For First Time Since 1913 When Thompson Ran

By Sam Kent

Standing the best chance of any Bates team to win the 37th annual state track meet at Orono next Saturday, Bates' undefeated track team will endeavor to bring the cup which has not been in possession of the Garnet since the days when Coach Ray Thompson was in charge of the team. Every man on the roster is doing his best to bring the trophy back to Bates.

The team, composed of 25 men, has been able to engage one of the strongest track teams in the state. If the team maintains its good form, the trophy may be returned to Bates next year. The team is composed of the three-state conference runners, who have broken records and set new marks.

The captured honors of the Garnet in 1935 were, of course, the most eagerly anticipated feature of the meet. The team, which has been unable to capture the team title since 1913, will have a good chance to win this year. The team can be counted on for a good showing in the meet, and it is hoped that the team will win the team title this year. The meet is expected to be well attended, and the team will have to work hard to bring the trophy back to Bates.

Drama Credibly Presented

Bit players have little chance of success on the stage unless they are well trained and have the right material. However, by the time they have learned their lines and have mastered their part, the play is over and the audience has left the theater. This is the fate of most bit players, but in "The Importance of Being Earnest," a play by Oscar Wilde, the bit players have a chance to shine.

The play, directed by Professor J. William Fisher, was presented on the stage of the College Theater last night. The cast was under the direction of Professor J. William Fisher, the director of the Drama Department. The play was well received by the audience and was considered a success. The play was presented on the stage of the College Theater last night.

Garnet Beats Boston Y. M. In First Meet

Keller and Kishon Are High Point Men As Bobcats Win Easily

The Bates track team opened its season with an exhibition meet at the University of Maine in Orono Saturday afternoon. The meet, consisting of both track and field events, was won by the Garnets, the home team, with 93 points to 62 for the Bobcats.

Captain Kishon running in the best form of his brilliant track career, who seemed to indicate that Keller may win his second straight in the 100 yard dash, led the 220 with a time of 20.8 seconds. The first and second men in the 440 were Robbins and Harrington, respectively. Harrington, a former standout in the hurdlers, shut down the field in the 880 yard run. The 220 yard dash was won by Robbins with a fine time of 21.8 seconds.

Kishon, Peabody, and Cooke

The match was very close and was decided by the University of Maine 5-4. The contests were: Doubles — Paterson and Nash against Fairweather and Thomas; No. 1 singles — Milt Nixon, freshman tennis star, against the man once rated as the best in the state, who recently returned to the state last week to try his hand at tennis in the state, Gowell (Me) against Myrick (Ba); No. 2 singles — Bell (Me) against Ireland (Me); No. 3 singles — Luukko (Ba) against St. Sauveur (Me).

With the report of a pulled tendon in the foot and the possibility of the State Oratorio Society, we feel that our track team will be strong in any meet. Most of the boys who have been missing since before the meet will be on the back stretch when the meet is held. With the college holiday Saturday the 880 makes him a logical choice to win this event. The next man was Ireland (Me) who won the 220 in a time of 21.0 seconds. Berliner (Ba) covered the 440 with a time of 49.6 seconds. Paul Tubbs and Dave Stetson with the freshmen on the Bobcats will be on the back stretch when the meet is held.

The men's courts numbering twelve are the property of the Freshman athletic association, that is to say, the freshmen are the only ones who are permitted to use them only by invitation, that is to say, they are invited to play on the courts. This will be continued from the present season to the next. The Diakas, with an amazing burst of speed, won the extra attraction at the meet was a 100 yard dash — Lythcott. Bates: Phipps. Y: Gould. B: Time 10.0. 2-58.

The summary:

1. Luukko  (Ba)  .  111.0  lb.  Height  5 ft. 11 in.  100 yard dash — Luukko (Ba)  .  Time 10.0. 2-58.
2. Luukko  (Ba)  .  111.0  lb.  Height  5 ft. 11 in.  220 yard dash — Luukko (Ba)  .  Time 21.8. 220.
3. Luukko  (Ba)  .  111.0  lb.  Height  5 ft. 11 in.  440 yard dash — Luukko (Ba)  .  Time 49.6. 220.
4. Luukko  (Ba)  .  111.0  lb.  Height  5 ft. 11 in.  880 yard run — Luukko (Ba)  .  Time 2:58.

The doubles was won by the Garnets 5-4 over the Boston Y. M. C. A. with Phipps and Wakefield over Gould and Norton, Phipps and Wakefield over Gould and Norton.
