Hudson-Delange Band Is An Unusual Unit

By Evelyn Kelso

The bands of Bates and Delange are the envy of the musical world. As a unit, the two bands have not yet found a match. But if they go to the tournament this year, they will come back with a new spirit and a new training. The bands are well known among the students of the state, and they have been invited to participate in the next tournament. The bands are composed of students from different parts of the state, and they are well known for their musicianship.

Delange is a powerful and unusual unit. It is composed of students from the state of Maine, and it is well known for its performance. Delange has a strong tradition of excellence, and it is well known for its ability to adapt to new musical styles.

Hudson is a small and intimate band. It is composed of students from the city of Portland, and it is well known for its musicianship. Hudson has a long tradition of excellence, and it is well known for its ability to adapt to new musical styles.

Seniors To Hold Year's Last Chapel

Muskie and Pendleton To Be Speakers; Dodson and Seeger To Play Piano;

In accordance with a time-honored tradition, the Last Chapel Exercises at Bates College will be held at eight-thirty this morning in the Student Center. The service will last for about two minutes.

For the program all church music will be arranged, with the exception of music by students. The choir will be under the direction of Rev. W. D. Sanford, and the organist will be Miss Dorothy Staples.

Three Biology Majors Receive Honors

Three biology majors have been selected to receive the highest honors in the field of biology at Bates College. The three majors are Danielson, Janiak, and Seegard. Their points are expected to be some of the highest in the college. Their work has been outstanding, and they have shown great ability in the field of biology.

Maine American Physical Society Meet Here

Speeches Given by Doctors A. L. Abromson and J. M. Glazer

The American Physical Society will meet here tonight at nine o'clock. The society is made up of men who are interested in the scientific study of the physical world. The meeting is a opportunity to hear speeches on the latest developments in the field of physics.

The speeches will be given by Doctors A. L. Abromson and J. M. Glazer. Doctor Abromson is well known for his work in the field of physics, and he has made many important contributions to the field. Doctor Glazer is also well known for his work in the field of physics, and he has made many important contributions to the field.

The speeches will be given in the physics laboratory at Bates College. The laboratory is well equipped, and it is a place where physics can be studied in a practical and meaningful way.

Opportunity is Knocking

Although the Athletic Committee of the College, approached by the various interested parties, suggested the possibility of participating in the New England Interscholastic Basketball tournament to Lewiston, immediately refused to have anything to do with it, they were, with pioneering and great spirit, wishing that the opportunity of connecting Bates with the tournament has not yet arrived, in order to make the most of the situation, and to extend the possibility of human nature. The one who is given to the question of what is a good thing is not to be able to get wisdom from the School of Education, the School of Social Science, and the School of Science. This is the reason why the School of Social Science and the School of Science have been asked to this season.

The variance of the New England Interscholastic Basketball tournament to Lewiston Armory than can be for the present and Portland University.

It is the custom to have an educational institution sponsor the interscholastic tournament. The University of Vermont did not find the situation within the bounds of possibility of human nature. Campus Clubs Meeting At Thornocrag
Christian Service Club Will Hold Its Final Meeting To Night
Again this week Thornocrag Colonnade and nursery are sure to be the center for several club parties, the College Choir, the Christian flats, the traditional form of student government, and the Student Army Training Corps are among the organizations that have decided to hold meetings in the Thornocrag Colonnade area this week.

The College Choir and the Politics MacFarlane Club held its initiating party at the end of the month, while this week the students are preparing for several different activities in the Thornocrag Colonnade area. The Student Army Training Corps is also holding meetings in the Thornocrag Colonnade area this week.

Junior Girls To Hold Dance Friday Evening
"Goodbye for good! goodbye for ever!" as the Junior Girls began to tire in the early stages of their dance last night. The dance, which was held in the College Club, is for the benefit of the Junior Girls of the college, and the members of the college are urged to come and enjoy the fun.

Camera Club Takes Unique Photos
The making of pictures which everyone enjoys with enjoyment of art quality has been the aim of the Bates College Camera Club since it was established four years ago by Dr. Edward T. Woodcock of the Physics department. Although the club is composed of amateurs, most of whom are finding their first love for photographs, the club is well known for its artistic quality. The club is under the direction of the incomparable President of the association, Nick MacFarlane.

The programs of the club for the next few years have been defined and each member will continue to submit work to the group. It is also planned that exhibitions of work will be held at the college in the future.

People's Housing Party
The People's Housing party is to be held this week, and it is also being held on Friday night. The party is for the benefit of the people of the college, and the members of the college are urged to come and enjoy the fun.

Bates Psychology Professor Writes On Ethical Ideals
Professor Peter A. Boutros contributes an article to the Philosophy Journal of the Bates College. The article is on the subject of ethical ideals, and it is for the benefit of the college.
