Inactivity Of Recent Councils Has Made It Necessary To Come To Understanding With The Men

While the men are holding their assembly in the Little Theatre, the women, assigned to the Chapel, will also have a meeting.

Well-NEW Understanding

The Student Council, in view of recent meetings, has come to the conclusion that the important positions which have been rendered vacant because of the absence of women, have not been filled with the understanding that is necessary to a satisfactory understanding.

Formation Of 4-A Is An Interesting Story

The history of 4-A is fascinating, as it started with the formation of a group of students who were interested in the study of Latin. The group was formed in 1913, and has grown in size and popularity ever since.

The students are working on a project to create a Latin club, and are planning to hold a meeting on Wednesday evening, at 7:00 p.m., in the Brave Hall. The meeting is open to all students and faculty.

Barnyard Golf

Introduction to P.E. Curriculum

Due to the efforts of Council Speaker, the Barnyard Golf course has been awarded a new sport, "Horseshoe Pinball.

"It shall be the duty of the Council after careful investigation and deliberation, if in their judgment service to a member of the Assembly, is considered a member of the Assembly, the importance of the student body reverting to the administration.

If such student apathy as there has been in the past continues students who are inhibiting their progress or taking up too much of the student body's time, the students will be in reality unable to make its points, and the students will be unable to achieve their goals.

The crisis has evolved by a gradual process. Some years ago, the Barnyard Golf course, as outlined in the Constitution of the Assembly, was provided for an extinct house council, and amending the regulations for its use. This way, helping decide some of the questions concerning the Assembly.

This organization, which fosters music and drama, has voted to carry the question of whether or not to hold rallies and assemblies. If the Barnyard Golf course is not held, this question may be brought up again.

As a member of the Assembly, it is duty to make the council responsible for the events taking place in it—rather than the student body. The administration is responsible for the welfare of the Barnyard Golf course.

It has been the policy of the administration ever since the Barnyard Golf course opened. It has been the policy of the administration to see that the Barnyard Golf course is held as few as possible, and to as few people. It has been the policy of the administration to see that the Barnyard Golf course is held as few as possible, and to as few people.

If the Barnyard Golf course is held, it should be held under the Constitution of the Assembly, and under the rules of the Council.
SPORTS SHOTS

By Barney Marcus

Of course the snow has yet to fall, Easter has yet to come, the birds will have to return from their southern homes, all this will have to happen before we should think of collegiate baseball. May be we've a little early, but we won't let it be said that at least we didn't suggest it soon enough.

As I held a schedule of the 1937 baseball team I am amazed my joy knows no bounds, I see the silver lining—why? because our "southern trip" was set to play two baseball games, isn't that just fine! It must have been rather difficult for our schedule makers to arrange all this.

Before it is too late, do something about this, who make up our schedule, please give us a schedule in which we really have a chance to play some baseball. Don't let this year be a repetition of the one three times back when we went to Boston to play the one game on our Boston trip, and ruined out and come back the same night. No, don't let that happen.

Bring Bates' Name in Boston

We aren't looking for a good time. We only want to play baseball. We want to bring the name of Bates into the侵elsons of Boston. We want to interest those athletes who are any good to come to Bates. And without a doubt the majority of the better athletes do come from below the Maine boundary line. On our football squad today, three-fourths of the men hail from Massachusetts. How many of them ever get a chance to play some baseball. Don't let this year be a repetition of the one three times back when we went to Boston to play the one game on our Boston trip, and ruined out and come back the same night.

"New England" Baseball Trip

It was too bad that there was no opportunity to have an indoor baseball trip. We aren't looking for a good time. We only want to play baseball. It was too bad that there was no opportunity to have an indoor baseball trip. We aren't looking for a good time. We only want to play baseball.

Wildcats Forward Pass Way To 9-0 Victory Over Bobcats

We found a hole and smashed his way for a touchdown. Our attack failed twenty more. A pass play, Morin tossed a perfect pass to Emery, we were shown that the Bates team showed that it is well-knit unit.
