It was quite stimulating to see the enthusiasm shown by the students and the faculty for the Bates Student Union. The CALENDAR for the week included several important events, such as the Student Senate meeting on Tuesday and the Debate on Thursday. The Student Senate meeting was scheduled for 4:00 PM, and the Debate was set for 8:00 PM.

The Debate was titled "Should Bates College be a Divided Campus?" and was to be held in the Little Theatre. The speakers on each side were to be chosen by a random draw. The debate was to last for two hours, and the audience was expected to vote on the resolution at the end of the debate.

The Student Senate meeting was expected to discuss various issues, including the proposed changes to the student fee structure and the budget for the upcoming academic year.

The Bates Student Union had also organized a Pre-game Rally in Little Theatre on Friday, November 6. The rally was to be held at 5:00 PM, and the purpose was to boost the morale of the students and the faculty for the upcoming game against M.C.I.

In summary, the week was filled with exciting events and important discussions, and the Bates Student Union continued to play a vital role in the life of the college.
Frosh Football Team Plays Tie With Kents Hill

Merrill Again Stands As The Freshmen Fail To Get Rid Of Caps

In their second attempt to get rid of their green and black Freshman caps, the Bates fans were again disappointed as the Kent Hill team stormed into the stadium.

The Dartmouth game was the scene of the incident. This was due to the fact that the Dartmouth team was hounded by the Nature Morte and their mascot, Merrill.

Penalties Hamper Hilltoppers

For the second successive week, Bates met Kent Hill and came away with three points. This was the outcome of the game, held at the Mothers' Day Week End. The game was fairer games and to give more people a chance. There will be more Garnet or Black games which may or may not change the tilt of the present Frosh-Garnet or Black games which may or may not change the tilt of the present Frosh.

As opposed to our no-athlete athletes, Dr. Leonard did not have a chance to show his athletic prowess in his college days, but he has now an added incentive to do so.

Besides, the band has had a real spark in the last few years, due to the fact that the students have been more actively engaged in extra-curricular activities.
