Five Seniors Close 4-A Careers In "Icebound"

By Harold Doyle, Have Leading Roles In Play

Op. 91 has been a veteran of 14 Maine State Falls. Driving to a dramatic engagement in a car he did not own, a man was killed and three others injured on the road.

When the man was killed, another car out of the opposite lane hit car nos. 1, 2, and 3, and no. 4, which was the car the man was driving, hit the car the three others were in.

He was pronounced dead on arrival at the hospital. At the time of the accident, the man was driving north on the main highway, and his car had lost control.

The accident occurred near the town of Falmouth, Maine, at the entrance to a tunnel.

It is a man's world they hold up, but the ladies have been on all manner and in all departments of affairs. The Bates women and girls are carrying on the W. A. A. activities with a devotion worthy of the Winona's. The Bates tennis team is making a sturdy showing for the first time in Bates' history. Mrs. Edna Stimson Hurd and Mrs. Margaret Stimson Hurd presided as the chairwomen of the committee.

The Bates relay team returns home last Saturday from the Eastern Relays with two third places and a first place. The team scored 130 points, which places it second in New England and third in the nation. The relay trip was the first for the two sisters Octavia, Williams, and Bridges in the nation. In the last 220 to allow the team from Brunswick a victory, but Charlie Cook will be with the team.

very seldom does a style—or fabric achieve and hold the popularity— that barbadian has— with the women of this country.

The reasons are undoubtedly practical ones—because barbadian is a practical suit, cool, but nevertheless sturdy enough for the coolest of days. Very durable and it holds body longer expectedly well. Barbadian is a— rugged—smart fabric that does all the nice things and about it. In sport back-style in Tan, Brown, Green, and Gray.

In the Big Town, you see lots of empty packages. That means that pack after pack of refreshingly mild, good tasting Chesterfields have satisfied hundreds... maybe thousands.

Way out in Goose Creek Junction, you meet up with men who tell you that Chesterfields are milder... you see ladies who tell you how good they taste and what a pleasing aroma they have.
