Bobkittens Close Grid Season With Win Over Strong M.C.I. Team

Bongar Coach Sees Growing Bates Spirit

Bongar High School Athletic Dept., Lewiston, Me., Nov. 1, 1937

To the Editor,

The Bates Student,

Lewiston, Me.

My thanks to you and your paper for the opportunity of expressing the strong support that all the Bobkittens feel toward you, the College Club, and the college that we love so well. We feel that you have been doing a noble job, a job that few people, perhaps, realize the value of.

Very truly yours,

George D. Dunlevy.

TOWNIES ROUT COLLEGIANS

Shortly after the first half of a comparatively unimportant game between the Freshman and M.C.I. teams, the Townies swept through triumphantly to win the1937 Gridiron title.

Nothing particularly unusual occurred during the first half of the game, as the Bobkittens were not at their best and the Freshman team were alert and ready.

In the second half, however, the Bobkittens' speed and agility was evident as they stormed their way to a victory. The game ended with the Bobkittens leading 55-10.

WILTON ACADEMY WINS CROSS-COUNTRY

By Sonny Taylor '39

One October afternoon in the fall of 1937, and it was another record breaking performance by a Bates runner, one that was predicted to be a masterpiece of endurance.

The race started in the usual manner, with the competitors running the first mile in comparative silence. But as the race progressed, the Bobkittens' speed and stamina were evident. After the first quarter mile, the Bobkittens began to pull away from their opponents, and by the second half mile, the gap was even wider.

In the final mile, the Bobkittens' efforts were rewarded, as they crossed the finish line first, setting a new record. The race was a triumph of physique and mental grit, and the Bobkittens' victory was one of great significance.

The Bobkittens upset a favored M.C.I. team in their second and final game of the season, finishing two touchdowns and giving up none.

The second touchdown was scored by Charlie Cooke, rangy left end, and it was all but sealed byusses also "fattened tackle by the Bobkittens' teamwork." The game was one of great excitement, with both teams giving their all.

SPIKES RESIDES AS HEEL SEASON Nears

At the present time there is a great deal of excitement on the campus as the 1937-38 hoop season approaches. The Bobkittens, who have been training all year long, are in top form and are looking forward to the season with great anticipation.

The Bobkittens have a strong team this year, with many returning players and some new additions. The team is led by the excellent.conducting of Mr. Ross, and they are sure to make a strong showing in the interclass league teams.
