Barnell's Tip-Off Try for Basket Ends Colby's Spree

Johnny Woodbury Garnets High Scorer

A fast break shot from Barnell, which followed a fast break from Woodbury, gave Bates a lead of 37-36. Barnell's shot, a terrific left-handed shot, followed Woodbury's drive to the hoop. The score was 37-36. Woodbury's drive to the hoop was made smoothly to get nine points and a 28-22 lead before Colby got into second gear. The game was pretty much of an even struggle, with Colby and Bates alternating the lead for the first half of the game. Pulling Bates to within two points, the first half was just a matter of points, with Colby and Bates each having three points. The first half was played with a lot of interest, with both teams playing good basketball.

The second half was played with a lot of interest, with both teams playing good basketball. Colby led by two points at the end of the first half, and Bates took the lead back again to within two points at the end of the first half. Well, here we are again—nowing the same old problems that have been here for a while. Let's face it, back when we were deciding whether to study or not, or whether to work or not, or whether to go to the library or not, or whether to spend our money on some new gadget or not, or whether to eat in the student center or not, or whether to stay in the dorm or not. Maybe you missed it, but it's the same ol' story all over again.
