**Former 'Garnet' Editor Criticizes Last Issue**

Mr. Donald Watkins, now a student at Bates, had written a letter to the editor of the Bates 'Garnet' expressing dissatisfaction with what he considered to be some of the shortcomings of the most recent issue. Watkins accused the 'Garnet' of being too close to the 'same old horse' routine and lacking in real innovation.

"We need more thought-provoking articles," Watkins said in the letter. "The 'Garnet' is great if you want a bland and soul-less read. It's like going to a restaurant where you get the same old stuff every time."

**VIEW EXHIBITION WONDERS**

Dr. Smith, a renowned psychologist, gave a lecture on the psychology of art appreciation. He discussed how people perceived and interpreted art, and the role of art in human communication.

**FREDERICK TO DISCUSS EUROPE'S PROBLEMS**

Professor Frederick, a noted political scientist, delivered a lecture on the current international dilemma. He discussed the role of the United States in world affairs and the potential consequences of various foreign policy options.

**Announce Plans For Liberal Arts Exhibits**

The announcement was made regarding a new program of liberal arts exhibits to be organized by the university. The exhibits would feature works by local artists and aim to promote the appreciation of art among the general public.

**Dr. J. T. kız刷**

Dr. J. T. kız刷, a well-known dermatologist, spoke on the subject of skin care and health. He emphasized the importance of regular skin examinations and the benefits of natural remedies.

**Robinson Players Will Present 'Melodramer'**

The play will be presented on Thursday evening at 8:00 PM in the university's main auditorium. The play, a melodrama, was described as a playful take on the classic genre, featuring a cast of well-loved characters and a plot filled with twists and turns.

**MUSIC 0 GROUPS TO GIVE STATE BROADCAST SUNDAY**

Several musical groups from the university will participate in the state broadcast on Sunday. The groups include the Bates Choral Society, the Men's Glee Club, and the Orpheus Orchestra. Their performances are expected to highlight the talent and diversity of Bates College students.

**Debaters Defeat Lafayette, 2 to 1**

In a debate held at Lafayette College, the Bates debate team emerged victorious with a score of 2 to 1. The topic discussed was the effect of technology on society.

**Skiers Find Perfect Conditions At Sabattus**

A group of skiers enjoyed ideal conditions on Sabattus Mountain, with clear skies and perfect slopes. They reported that the day was ideal for skiing and recommended it to other enthusiasts.

**Nixon, Foster Debate Canadians**

Two candidates for the Canadian Senate's seat in Nova Scotia were holding a debate. The candidates discussed various issues, including trade and economic policies.

**FACULTY INCLUDED IN PLAY THURSDAY AND FRIDAY**

Several faculty members will be participating in a play being staged on Thursday and Friday evenings. The play is a community production and is open to the public.
March Time

"March Times On" could be an appropriate motto here at Bates, for of all the months in the college calendar, March is one of the most important— for the undergraduates at least.

The Old Order will give way to the New within this month. The General Campus Elections will provide new class officers, new dorm skillets, new athletic clubs, and new governing boards. Then, too, various appointive positions on the administrative and dorms. Not a day passes but what, at least during the day, President Comstock is exposed. The attitude of the classes is well manifested by Chief Commissary.' His bag of tricks includes a speech delivered which he sometimes gives in an important or amusing momentary situation: he is never quite as serious as he is during the day, but he always has something funny to say.
The Bates Freshman team travels to Orono, Saturday, for their annual three-game series with Oregon. The opening game will be played at 8 p.m. The schedule of the current series is as follows: Bates vs. Oregon, 8 p.m.; Oregon vs. Bates, 7:30 p.m.; Oregon vs. Bates, 7:30 p.m.

In the field, Heights should have no trouble winning the shot and the long jump. These events are ones on which Bates shines and in which Oregon will lose to the height of the season.

The meet will be a three-way duel of the Oregonian nights. Oregon, in the second place, and Bates, in the third, have both done well in the season. The Oregon team has won 20 of its 30 meets and has lost 10. The Oregon team has won 19 of its 30 meets and has lost only 11. The Bates team has won 18 of its 30 meets and has lost only 12.

The points of the other events will be split equally. Bates and Oregon should be able to place in the top five in the meet. In the field events, Bates and Oregon will be the most competitive. In the track events, Oregon will have the edge over Bates.

The most outstanding events will be the high jump, triple jump, and discus. These events are ones on which Oregon will excel and in which Bates will lose to the height of the season.

The Oregonian nights are greatest, as the Oregonian nights are generally a good one, but the Oregonian nights are none too good.
