The Gospel To Mark

With this issue we announce a new editor for this publication.
To some, this notice will not be noticed—there are some under-
graduates on campus who do not see more than three or four
copies of this publication a year. To others, this change will be

**SOPHOMORE DANCE FAVORABLY RECEIVED**

The Sophomores’ Girls’ Dance, the only dancing of the years since seniors, turned out so well. To anyone who has never been to a dance, it may be surprising to know that all the dances are really quite similar, no matter what the size of the campus or the city.

A surprised and grateful reaction, headed by Benno Levy, came from all the campus. It was announced, however, that although dances in the future will not be held until the end of the year, the Sophomores’ will come in the spring.
