Students Disapprove Voluntary Chapel Plan

Voluntary Chapel was not considered sent to both off-campus residents and those living on. The following be improvements to the program? Those suggested were:

1. A complete history of Bates is, of course, not finished. It was generally agreed that the actual work on the project is being fitted to play this important part for many months, and already, the actual work on the project is being fitted to play this important part for many months, and already, the fact that most of the answers received have already signified their interest to attend the first Father's Day in the Life Theatre, it was revealed last night by the conferees for the competition of Bunny Lord Tuesday night the contest ended with 4 points for the cast and 1 point for the cabin. The key to the cabin may be had after 4:30 p.m. under the auspices of Mr. and Mrs. Paul S. Sweet and Mr. and Mrs. Clifton D. Gray, Mr. and Mrs. Paul S. Sweet and Mr. and Mrs. Clifton D. Gray, Messrs. and Mrs. George H. and Mrs. Paul S. Sweet and...

Freshman Track Team Wins Opening Meet
Moreymen Swing Into State Series Action This Week

By Bill Howland '40

Tourney the "provincials" with the tennis team your order met a Bates alumni who is doing a grand job at Rhode Island State College. That alumni is Frank F. Dowse, who was attending Bates during the years when Monte was here. He has been the president of Rhode Island State College, coach of football, coach of baseball, and coach of track. He feels that Bates is doing a good job with all of them. His baseball team the past two years has had an unusual record in recent seasons. Occasional Clark Field is known to have "the more practice in the circle should make him a better pitcher. The ball cut the heart of the plate, and "Sully" was able to handle the bunt. The ball cut the heart of the plate, and "Sully" was able to handle the bunt. The ball cut the heart of the plate, and "Sully" was able to handle the bunt. The ball cut the heart of the plate, and "Sully" was able to handle the bunt.

Bowdoin has completed a season with no defeats, a perfect score, and a terrific batting average. The configuration team has come into line. Here is a breakdown of the batting averages -

First Baseman: Stryker, Bo  .233
Second Baseman: Berghoff, Bo  .281
Third Baseman: Drury, Bo  .285
Catcher: Parry, Bo  .300
Left Field: Belliveau, Bo  .333
Center Field: Drury, Bo  .340
Right Field: Berghoff, Bo  .357
Shortstop: Drury, Bo  .333

Bowdoin won the game with a perfect performance in the field. "Sully" had a perfect game, getting his passes, and driving in two runs. The
team should show many improve-
ments. The Riverdale course is the
most difficult of all the Maine gnon.

Golfers Meet Bowdoin in Opener Tuesday

On May 9 golfers from Bates when the newly opened course was opened in the state. A strong group of the Bates golfers assembled at the course and played an excellent round of golf. The team consisted of the following individuals:

John Gross '42, Harold Ooodspeed '40, and

Bobcat Improving;

On Saturday they will travel to

The junior varsity track team will meet a rival team group in the state.

Three Bates boys have been awarded scholarships from graduate schools. It was learned recently that they, Frank Oesler, economics major, Donald Curtis, economics major, and Donald Cheetham, sociology major, have all been awarded scholarships from graduate schools.

A Retreat was given by Kenneth Logue on "Christianity: incarnation and discipleship." The theme of the retreat was "the love of God and the love of man." Logue, an English major, spoke on the theme of "the love of God and the love of man." The retreat was held at the Bailey Homestead in Oxford, Maine. The program of entertainment, prepared by the "steering committee," included a history of the C. A., a discussion of the nature of the C. A., and the various discussion groups—culminating in a "midnight meting" of the delegates from these schools, planned by the "steering committee." The retreat was held at the Bailey Homestead in Oxford, Maine.

A., and the various discussion groups—culminating in a "midnight meeting" of the delegates from these schools, planned by the "steering committee." The retreat was held at the Bailey Homestead in Oxford, Maine.

Tennis Team Drops Meet To Maine

Joe Cansler, Bill Hinck, Bill Howard '39, and Jim Walsh '39 returned victors in the singles and the doubles of Fred Whitehead '39 and Al Wallin '39 to defeat the Bates team last Friday night. The Bates team was down to defeat before the University of Maine, 5-4, yesterday afternoon.

The return of Cansler to the court, and winning form, was a boost to the fortunes of this class.
