Women's Infantive Under Consideration

At a meeting of the Infantive last Saturday morning, the need for a new infirmary was brought to the attention of the student body. At this time it seems fitting to review briefly some of the conditions in the present women's infirmary.

There are, perhaps, 15 major problems which must be remedied before the infirmary and every year a large amount of money is spent to correct these conditions.

1. The location of the Infirmary is a major drawback. For many years the infirmary has been located on the north side of the campus, which means that there is no place for children on the top of campus.

2. There are five infants in the infirmary, although there are very many and the only place for them is the couch.

3. There are only two beds, one of which is sometimes occupied by the sick patient.

4. The beds have no mattress, and are covered with a coverlet, which is not adequate for the comfort of the patients.

5. The beds are very uncomfortable, and the patient must suffer.

6. The clothes have no button, and the patient must suffer.

7. The patient's clothes are not kept in order, and the patient must suffer.

8. The patient's clothes are not washed, and the patient must suffer.

9. The patient's clothes are not changed, and the patient must suffer.

10. The patient's clothes are not cleaned, and the patient must suffer.

11. The patient's clothes are not aired, and the patient must suffer.

12. The patient's clothes are not hung up, and the patient must suffer.

13. The patient's clothes are not put away, and the patient must suffer.

14. The patient's clothes are not stored, and the patient must suffer.

15. The patient's clothes are not employed, and the patient must suffer.

The need for a new infirmary is a matter of great importance, and the student body should be made aware of the conditions in the present women's infirmary.

A. A. Member Discusses Aim Of New Sport Clubs

By BERNADINE HIBBERT '40

The first club to appear on the campus, which was the Women's Tennis Club, formed last year by Miss Margaret Fahren- geh, which was formed in 1936, upon the the time the club came under the coaching beginners in the sport.

Women's Union; house problems are organization there would be mar.

There will be an opportunity for those who are interested to try out for the team. There will be the next two weeks' practice, after which the team will be chosen.

Swimming Club, started by a group of members, will be the annual Coed Banquet on Friday, February 6, 1940. This will be the first time the annual Coed Banquet has been held in the Bates social calendar.

The address books were put out by the Men's Glee Club, which should be of all campus habits.

Just a Reminder

With midterm exams in the offing, perhaps a word to the呈文 of the Senior Class? Time to get together and study and study. We don't call them green — not still! — but just so they won't be too far toward distraction by those wisely (?) upperclassmen who simulate History dates, or the Books of the New Testament. After the particular professors attitude toward that dreaded appendix to their first midyears . . . !

It's not just a review with perhaps a little more to go over? But is it?

By Lea

The "Lion of Idaho" is dead. Hamilton W. Lewis, a result of a cerebral hemorrhage, gave a final in his home Tuesday. For thirty-two years he has been associated with his profession, a laborer in the cause of little ones, and a man who has always been a subject of respect to his fellow men. His death occurred last Friday as the result of a long illness. In his death has not only been the country, but the world, the loss of a man of outstanding ability who has always been a subject of respect to his fellow men. Miss Fahrenholz will be the head of the Women's Basketball team and the junior winter sports this semester, no courses in that field present an instructor in physical education.

Atwater and McNally will officiate at Game

Atwater and McNally will officiate at Game

During the past week, Patty Atwater and Genevieve Stephenson '43 have been chosen to play basketball. Besides the excellent personal services they have given, there is a real need for them to continue these services. There is an evident in the smaller schools in the Portland area in basketball. The Bates team is working on formations that will constitute. This includes the official work of governing and poorly controlled play.

The Ski Club is working on formations as well as to play basketball. The club aims to build up members who will not only serve their teams, but also entertain? Well, you'll have to come and see for yourself as both entertainers.

Intramural hockey is meeting with plenty of competition from the fast-track teams. The college teams are meeting with plenty of competition from the fast-track teams. The college teams are playing a good defensive game while keeping their scoring up at a high point.

The Bates jayvees won their first game Saturday. They were able to contain their opponents and were excellent in passes. They scored a total of 13, and Draper followed with 12. The Bates team broke the ice and came through with ten more for a final score of 25.

The players showed fine team work and were excellent in passes. They scored a total of 13, and Draper followed with 12. The Bates team broke the ice and came through with ten more for a final score of 25.

Wednesday, Jan. 24, 1946

Wednesday, Jan. 24, 1946

We, the Freshman C. A. Cabinet, held our first meeting Monday evening at 7 o'clock in the Women's Union. Two new members, Roy Parkfield and Leon Parmeley, were admitted at that time. The discussion was mainly on the purpose and work of the Christian Association. A social period followed the meeting.

Dr. Bencivenga, Miss Cleveland, Helen Mason, Miss Mason, Delo Smith, and Miss Smith were present. Miss Cleveland spoke on the aims and work of the Christian Association. A social period followed the meeting.

The next meeting of the Faculty Peace committees, respectively. The purpose of this meeting was to organize the cabinet.

Two new members, Roy Fairfield and Eames, were admitted at 7 o'clock in the Women's Union. Mr. Carroll will preside as Head of the C. A. the next meeting. Raymond was out of the country and according to Patty Hallock, was prohibited at the Union Saturday and at the Union Sunday. The rest of the speakers will talk next week. Mr. Whitman's opening talk on Crusader, stressing that the future depended on mutual understanding, the importance of the future. He said that the future was in our hands and a world of peace would result from improved use of our natural resources. He also stated that wars in Europe and Asia would be a direct result of lack of resources and that the aims for America should be to promote peace and to prevent the dangers of war that will become ever more fearful as the word becomes aware of the deplorable conditions in Europe and Asia with their lack of natural and human resources. The whole session stressed the democratic principle of a "sport for all, a game for none" and the importance of encouraging all girls to belong to as many of the clubs as possible. A.A. Cabinet heij organized the cabinet.

The Freshman C. A. Cabinet meets for its first time.

Remember—Chesterfield Gives You REAL MILDNESS and Better Taste
