Miss Hard Bocks

R Sunrise, the beautiful new municipal airport. MISS BICKS is chief mechanic of the airport, one of America’s beautiful blondes. She is the original of the cigarette that satisfies, the cigarette that is perfect for you.

balloting system

The Student Council is taking a strong stand on the proposal for a referendum on the ballot for next year’s elections. The referendum would allow the students to vote on whether or not to have referendums on future issues. The council believes that referendums would give the students a greater voice in the decision-making process and would help ensure that the interests of the students are represented.

Electing the President

The Student Council is in the process of electing a new president. The election process involves several steps, including the nomination of candidates, the campaign for office, and the voting by the student body. The council is working hard to ensure that the election process is fair and transparent.

Campus Activities

The Student Council is involved in a variety of activities on campus, including sports, music, and cultural events. The council is always looking for new ways to involve students in these activities and to provide a platform for student expression and creativity.

Conclusion

The Student Council is committed to representing the students’ interests and ensuring that they have a voice in the decision-making process. The council is working hard to improve the quality of life on campus and to make Bates College an even better place to learn and grow.
