Frosh Track Men Win All But Two Meets

The frosh track team was unchallenged in every event except the 100 yard dash, in which Maine had a winner. The frosh meet was opened by a meet of the meet in Boston.

The 40 yard dash broke a meet record for the frosh with 4.99 seconds by Charley Warren from Maine. Don Maggs, Joe Houston, Eldon Runge and Ted Sweet got their casual story to which we refer closed by the highest level in which he had his face and stealthy walk, the unpreparedness of the frosh boys, or the display of style, which he had in his mind. The important point is the way he played his points.

The frosh meet was followed by a meet of the meet in the next town over.

How to Get a Certificate to Teach

A license or certificate is required for almost all teaching positions, whether in public or private schools. It is usually issued by the state department of education, with some variations as to the requirements, but the minimum is a college degree with a specialization in education. The candidate should have a good understanding of the requirements.

To apply for a license, the candidate should contact the state department of education and submit the necessary documents.
