Rehearsals
(Theatre from Page 3)
what time Portia shall rise and run up the stairs, and just when she shall sit down again, and just when Nerissa shall sit during this time. Shakespeare didn’t indicate any of these things, and the director has to try various ways until she has made the scene as effective as possible. It is interesting to observe how our arrangement has no advantage over another way, and why a certain one is superior to any of the others.

In all, it has been amusing to observe how our arrangements got from adherence through “The Merchant of Venice,” it was very much different from an actual performance, mostly because of the interruptions of acts which could not possibly get away. We had no idea of this before, and if it were not for this information, everyone concerned would find the work tedious and would be sick of it all. For the play was actually to be given. Instead, however, rehearsals are really enjoyable.

Bulletin Issues Special Commencement Edition
A pre-Commencement edition of the College Bulletin will be sent out to all alumni sometime this week, according to an announcement by the Public Relations Department. All inquiries should be sent through the office of the Bulletin at the Public Relations Office.

Prof. E. B. S. Goudy was this week elected chairman of the Lewiston Board of Education, putting the faculty members at the head of two major departments of the local city government. Prof. Fritz P. Witzke was recently made chairman of the Board of Health and Social Welfare.

Porteous Hocks Title
By Hocking Huge Fish
Norman Porteous ‘41 landed a 32-pound salmon from the depths of Thompson Pool Saturday to wrest the saltwater crown from the head of our esteemed sportmen, Grant “Tiny” Brown, ’36. The salmon measured 32 inches in length, and was pulled through the water by our leader, the calm Campbell.

Solo Waltz, Honesty Number
Features Sts. Girls’ Dance
About 30 couples attended the annual Eastern Stars’ Waltz Dance which preceded evening at Chase Hall and proceeded by open house at Third Hall. The room was attractively decorated with large pink and white flowers, and refreshments of punch and cookies were served throughout the evening. Highlights of the night included the fancy dances at which time there were various arrangements of the melodies described.

SERIES HOPES
According to Class President Roy Seeger, the victorious “squirrels” of the first six races more than likely hold the key to victory in the annual series. The series started by making O’Sullivan pop and forced in another run on a walk to Thompson. The plate was loaded and the next three were scored. Instead, however, results are really enjoyable.

Rumford Panthers… 19 Baseball Team
The Tenacity Junior Varsity boys won their final game of the season last Friday afternoon by beating the Rumford High Panthers, 13-8, in the Boys State Championship held in Rumford for individual sports. Ken Lyford and Sidney Phelan were the heroes of the game.

As commencement time approaches, all the members of the faculty are to be won over to what is going to be “A Grand Good-natured Time.” Why not carefully drop them a unit of the Buskin, the Buskin that was the leader of the Pack.
