Seniors Vote Iron Sign As Class Gift

A weighty iron and carved wood sign to be placed upon one of the trees between the Chapel and Campus Avenue, in front of the senior class gift of the class of 1941 to the College. The decision was made at a senior meeting held immediately after Chapel last Saturday night. A group of senior boys and a low iron fence to be placed near the Gateway on Campus Avenue represent the other gifts considered by the seniors.

The sign was selected as the gift that would draw the seniors having nothing yet to point to or plan for the future.

The committee in charge of making the preliminary choice were John C. Coon, Lenore L. Pample, Donald Dumont, and Harry Shephard.

Make Varsity Awards At Banquet Tonight

The Lettermen's Banquet, sponsored annually by the Athletic Department, for all men who have been awarded lettermen's letters, will be held in the Alumni Gymnasium tonight. At this function those who have qualified will be awarded the certificate which entitles the wearer to wear the Bluejacket, which have already been distributed.

This year the athletes will be addressed by G. P. Hunter, athletic director at Fitchburg College, and by Henry Kendall, principal of Malden (Mass.) High School. Music and entertainment will complete the program.

Diplomas Further Idea At Commencement Hop

George Fenton, of Fenton Brothers, will provide a band for Commencement Hop, Monday, May 17, 11:30 a.m., and go right on! This affair will be one of the highlights of the social event of the year. It has been announced that there will be a sumptuous menu of steamed clams, sandwiches, hot dogs, cold tonic and cream. Floral floats will be enjoyed and the banes will be divided upon the groups.

Since this will be the last dance for the senior class, the programs will carry out the idea of being in a form of diplomas. No special theme has been adopted for decorations, but there will be an abundance of spring flowers adorning the ballroom, in keeping with other decorations.

At the stroke of three o'clock, the couples will leave for some nearby places for the final period of exercise, with softball, foot- ball, and a wide area of instruction.

The dance will be closed by Mr. and Mrs. Harry W. Brown, Jr., and Mrs. Harry W. Brown, Jr., and Mrs. Paul Sweet, and Mr. and Mrs. Leslie Spalds.

Press, Gray's Day Dies Saturday Night

Mrs. Alida M. Gray, Sr., mother of President Clifford D. Gray, passed away at midnight at the President's home.

Since the death of her husband in 1931 she had lived with her son, coming to Lewiston in 1933. Funeral services were held at the President's home yesterday afternoon, conducted by Rev. Harry L. Verrill, pastor of the United Baptist Church.

Tradition Marks Senior Class Day

The Senior Class Day Exercises will take place June 15 at 7:30 p.m. in front of Coram Library. Barbara Howe will read the Class Ode, and the entire senior class will join in the singing of the Class Ode, written by Ernest Cook.

Ruth Gay will address the mothers and fathers of the graduates and invited guests, as well as visiting alumni and class members present.

The members of the Class Day Committee who prepared the program are Earle Rigler, general chairman; Frances E. Cooney, publicity chairman; Eleanor Wilson, Ruth Sproule, Charles Young, Robert Simonton, Richard Jordan, and John Rib bath.

The annual tradition to be followed at the Class Day Exercises is the burial of the speeches and pipes, as well as a Commencement program in the class of 1940.

The class will be the 119 seniors who will receive their degrees. Master's degrees will be handed to those who have fulfilled the requirements during the semester of 1940.

This list of those who are to receive honorary degrees will not be ready until publication of commencement exercises.

Plan 'Sing Sessions' During Final Exams

Plans are tentatively being made by Prof. Selden T. Crafts for reviving the old custom of group singing during the final exam period on the side of Mount David. This practice is planned as a means of relaxing the tension of examination study and up until two years ago was an annual feature of the period. Cooperating with Professor Crafts are Janet Brigham '48, Dorothy Pample '46, Marilyn Miller '41 and John Marsh '43.

Baccalaureate Service Takes Place June 16

The Baccalaureate Exercises of the Seventy-Fourth Commencement will consist of the usual academic processions of the seniors with Roy Briggs as Class Marshal and special music by the Choir. Members of the faculty, who will not be the service, and visiting alumni and members will assist Pres. Gray with the service. According to custom, they will deliver the principal address to the graduating class.

At the Commencement to be held in Chapel at 10 a.m., June 17, 119 seniors will receive their degrees. Master's degrees will be handed to those who have fulfilled the requirements during the semester of 1940.

The list of those who are to receive honorary degrees will not be ready until publication of commencement exercises.

Seniors Go To Poland For Spring For Outing

The Senior Class Outing Committee, under the head of V. James Pellicani, has selected the national famous Poland Spring House for the outing this year. The main event on the program will be a dinner dance for the graduating class members and their relatives and invited guests.

There will also be an afternoon for all the facilities of the hotel which include golf, tennis, swimming, croquet, lawn bowling, and horse shoes.

Four Women And Two Men

It is expected that about 260 students will leave College Thursday for the annual Memorial Day Cruise on the boat "Emita," under the direction of the Outing Club. A train will take the party to the Casey Bay Lines wharf in Portland, where a chartered steamer, probably the "Emita," according to line officials, will take them aboard for the cruise around the islands.

Students taking the cruise will meet promptly at 7:30 a.m. in front of Rand Hall Thursday morning, and will walk to the Maine Central Railroad Station, where the Portland train leaves at 9:45 a.m.

The boat is scheduled to leave the wharf, of Commercial Street, Portland, at 9:45 a.m., according to the committee in charge. At noon, after cruising around the bay, the steamer will dock at an island, where dinner will be served, a sumptuous menu of steamed clams, sausages, potatoes, and coffee and ice cream have been prepared. Following this, the "Emita" will "limber up" for a period of exercise, with softball, football, and other games.

The party is scheduled to arrive back in Lewiston about five o'clock.

Mr. and Mrs. Edward M. Powell and Mr. and Mrs. John Curtis will be chauffeurs for the next year. The Outing Club committee in charge consists of Kathleen Curry '41 and Robert Langenberg '43, assisted by Ralph Caswell '41, Outing Club president.

Tickets are now on sale—$1.00 per person at the College Bookstore, and may be obtained up to this evening.

Wally Dricoll Takes Over Intramural Post

The class of 1940 has Kerned through by Coach Thompson as one of the strongest track classes that has ever come together at Bates. The seniors are proud of their accomplishments and therefore perhaps a little hesitant to look back and see how it all started.

When he arrived in 1936 they started right out to win as the cross-country team went through an undefeated season. Al Rollins came through undefeated and was elected honorary captain by his team mates. Harry Shephard, Charlie Graichen, Leonard Clough, Al Moran, Bill Sutherland, and Al Daye.

When the indoor track season rolled around the class of 1940 put forth a fine showing which dashed all their opponents, including the sophomores and their other interclass rivals, except the great team of freshmen from Maine. More than twenty men gained points for the team and sixteen men, all six freshmen, were among the scorers. Outstanding were Norm Dick, who left college his sophomore year, with 54 points, Lorn Hunsey, 49 points, Charlie Crooker and Mal Hammons, two others. Other men rarely headed were George Huntley in the shot, Al Rollins in the mile, Carl Andrews in the high jump, and Royce Tabor in the high jump.

Hilliard Has Improved Most

In these good old days Jim Simms and Raige Seigle were "pocket" fast in the sprint and Owen Winson essayed quite a hit. Don Pomeroy was an excellent middle distance man and Leonie Clough took over first place in the mile. Carl Andrews in the mile, Carl Shephard in the 1000, Tate Common with the 25-32 pound hammer, and Royce Tabor in the high jump.

In spite of this loss to the ranks of the Garetts, Coach MacNeil faces the coming fall with many men in his哈佛. From the ranks of the class of 1940, two men, Fred Islam and John Hibbard are working hard with Royce Tabor in the high jump. Fred Islam is the second man in the state, Charlie Crooker, will be leading the following in this department:

Leonard Clough, Al Moran, Bill Sutherland, and Al Daye.

The fourth member of the senior quartet, Bill Sutherland, has been a letterman since entering Bates and has been able to do a capable job in both.

Trackmen Fail To Garner Points At New Englands

The Bates ten-man delegation to the New England track meet held at Springfield, Mass., last week end, has returned to campus with not much to talk about except perhaps that every man failed to qualify and that Leonard Clough, Al Moran, Bill Sutherland, and Al Daye, the only ones in the state, were able to chalk up firsts in their respective departments.

Pebble Bay Law School

Announcement

New law school course is given on a full daytime schedule, with

competent instructors, using the Harvard case method.

Admission to the school is limited to those who have completed

not less than two years of college training, having completed the credi-

tions for baccalaureate degrees in a vegetable four-year college. It is pro-

ferred, where possible, that the applicant for admission shall have completed his college course.

The emphasis on the law school looks now particularly to the col-

leges of our state for a regular and conservative increase in the mem-

bership of the bar. To provide this reasonable annual increment and to

assist the student in obtaining the best advantage of the facilities of the law schools and to provide clauses of a site more suitable for the case method of instruction, we desire to register approximately fifteen students in the first class. It would be appropriate if the Maine colleges were uniformly represented.

Catalog on request.
