Bates College Receives Many Gifts

Approximately 35 men and two women will be among the 400 or so students who will be present during the first meeting of the semester on Tuesday, October 8. The Freshman Week program includes a tour of the campus by the Freshmen Student Council, followed by a meeting in the Academic Building of the Faculty and students in attendance. The tour will begin at 3:00 p.m. and continue until 5:00 p.m. The meeting, which will be held in the Academic Building, will begin at 5:30 p.m. and continue until 7:00 p.m.

Four Faculty Members

Promotions have been announced for several members of the faculty. Among these are Professors of English, History, and French. The promotions include a promotion to Associate Professor of English, and a promotion to Professor of History. The promotion to Associate Professor of English is effective immediately, and the promotion to Professor of History will take place in the spring of the current academic year. Both promotions are considered to be well-deserved.

First Week's Program

Keep Frosh On Move

This year's Freshman Week program is designed to help the new students adjust to life at Bates College. The program begins on Tuesday, October 8, and continues through Friday, October 11. The program includes a variety of activities, including a tour of the campus, a presentation by the Bates College Band, and a meeting with the faculty. The program is open to all students, and it is hoped that it will provide a good introduction to the college community.

Bobcats Face Strong NHL Grid Team This Week End

Gridmen Take Hectic 24-10 Win From AIC

SALT LAKE CITY—The Boston College hockey team came to the second period over thirty years ago and still holding on. Boston College, led by dynamic freshman lacer K. G. (The Great) Condon, scored twice in the second period and held off a determined squad from AIC, to win the game 24-10.

STAR SCORER

Boston College's star performer was right wingman Larry Flaherty, who scored twice in the second period and assisted on several other goals. AIC's top scorer was centerman John Sigsbee, who scored three goals in the game.

The Boston College team, though fatigued by the long trip, played well in the first period, scoring once on AIC goalie Bob MacLaurin. AIC, led by star forward Bill Buccaneer, played well in the second period, but were unable to score.

The game was a high-scoring, fast-paced affair, with both teams playing well. Boston College's defense was solid, with goalie John Sigsbee playing well.

The Boston College team remains undefeated in the Boston area this season, and will be looking for another win against a tough opponent next week.

Students' Return

Bluebills Sparked by Matt Talbott

Bucknell Star

In the thrilling 30-19 win over the Penn State Nittany Lions, the Bucknell Bluebills were led by dynamic freshman Matt Talbott. Matt, who garnered the headlines for his outstanding performance, scored two goals and added two assists in the game.

The Bluebills, who were playing in front of a hometown crowd, came out strong in the first period, scoring three goals on Penn State goalie Bob MacLaurin. Penn State, led by star centerman John Sigsbee, played well in the second period, but were unable to score.

The game was a high-scoring, fast-paced affair, with both teams playing well. Bucknell's defense was solid, with goalie Matt Talbott playing well.

The Bucknell team remains undefeated in the Boston area this season, and will be looking for another win against a tough opponent next week.

Athletes Recall Many Summer Adventures

By JOHN R. ROBINSON

The boys of Bates Brown were asked what they did during the long summer break. Their answers ranged from local chores to world travels, and all were interesting.

The Banana Split:

A group of five Bates students went on a road trip across the country, stopping at various cities and attending concerts along the way. They said it was an unforgettable experience.

The Hillary:

A group of five Bates students went on a trip to Hillary, New Zealand, to study the culture and environment of the Maori people. They said it was a meaningful and educational experience.

The Beach:

A group of five Bates students went on a trip to Hawaii, to experience the culture and lifestyle of the Polynesian people. They said it was a fun and relaxing experience.

The Farm:

A group of five Bates students went on a trip to a farm in the Midwest, to learn about the agricultural industry and to experience rural life. They said it was a challenging but rewarding experience.

**Miss Marjorie Buck Joins Library Staff**

Miss Marjorie Buck was appointed to the Bates Library as a full-time employee on September 16. Miss Buck, a native of New York City, was graduated from Barnard College in 1924 with a degree in history and government. Since then, she has been a teacher in the New York City schools. In 1930, she received her master's degree from Columbia University, and in 1931, she was granted a certificate in library science by the University of Chicago. Miss Buck has worked in various library positions in New York City, including the Public Library and the New York University Library. She has also been a member of the American Library Association and the New York Library Association. Her appointment to the Bates Library is a significant addition to the staff, and her expertise will be valuable in the development of our library program.
