BATES-BOWDOIN CONCERT

Last Monday night a most pleasing concert was given by the combined Bowdoin and Bates Musical Clubs in the Lewiston City Hall. The whole program was unusually well selected and rendered throughout and it would be difficult to select numbers for special commendation so great was the excellence of all.

After the program the younger people stayed to enjoy the dance. Music was furnished by the Ariel Orchestra.

The program was as follows:

ALL ALUMNI ATTENTION

This year marks our Semi-Centennial. At the Commencement a new feature is to be introduced, not only as a special feature of this Celebration, but with the thought of making it a permanent feature, if it seems best, of Bates Commencements. This new feature is a program of general merrymaking by the different classes of the Alumni such as is carried on at many of our larger colleges.

This Commencement of all Commencements should belong to the Alumni. They should make a supreme effort to be back in full numbers. It should be the GRAND RE-UNION OF ALL THE CLASSES. Tuesday, June 23d, is Alumni Day. In the forenoon there is to be a program of athletic events by the Alumni on Garcelon Field. In
connection with this the “College Circus” is to be held. This is to be an historico-humorous parade of the classes about the field, with “stunts” by the different classes following. Historical incidents associated with the development of Bates, illustrated soberly or unsob- erly; “things you did,” wise or otherwise, will all be eligible to place in parade. Class statistics, mention of members who have won honored places, etc., etc., may well be carried on large cards or any other way. Class banners of olden days, trophies, etc., should be there.

After the “parade” the classes will each present for the edification of the grandstand whatever they have prepared. Burlesques on present national or international matters, or local matters, which lend themselves to humorous treatment, clowns, merrymakers, etc., suggest the idea in the minds of the Committee. The class furnishing the best get-up to win the “prize.”

We ask ALL GRADUATES to take up this matter AT ONCE in their respective classes. We have only one month. There is no time to lose. Everybody get busy. Write two or three “leaders” of your class to-day. Get it started. And bring your class out on top.

1913, 1911, 1909, 1904, '99, '94, '89, '84, '79, '74, '69, are by virtue of their years the leaders. Let all be there, literally and figuratively.

MAY DAY FESTIVAL

Monday afternoon many friends of the Bates girls gathered on Mt. David to enjoy their annual May Day festival. At three o'clock the girls, gaily clad in white and decked with flowers, appeared around the foot of the mountain, the Juniors leading the procession followed by the Sophomores and the Freshmen. After a fancy march the girls formed in two long lines on either side of the May pole and there awaited the approval of the May Queen, Louise Dunham, '14, and her maid of honor, Mildred Bassett, '15, in their chariot. This was the striking feature of the afternoon. When the chariot, made up of Senior girls, drawn by six little boys as hobby horses, passed between the rows of girls who were singing and tossing flowers at the queen. She then mounted the flower throne on the side of the mountain where Dean Buswell crowned her Queen of the May. Then followed the program which consisted of dancing by the girls in the four classes and concluded with the winding of the May Pole by the Freshmen.

SILVER BAY BANQUET

Friday evening, May 15, the annual Silver Bay Banquet was held at Rand Hall under the auspices of the Young Women's Christian Association. About one hundred and ten guests were present and after the banquet, the following toasts were enjoyed:

“What Silver Bay Means to the College Girls,” Colby College.
“Good Times at Silver Bay,” Helen Humiston, '14.
“Silver Bay and the Preparatory School Girl,” Maine Central Institute.
“Memories of Silver Bay,” Edna Pierce, ’14.
“The Benefits We Derive from Silver Bay,” University of Maine; “The Association Girl,” Dean Buswell. The out-of-town delegates to this meeting were: Misses Hanson, Chamebrilain, French, Pratt, Moses, and Dudley from Colby College; Misses Winship, Greenleaf, and Plummer from the University of Maine; Miss Rummil from Maine Central Institute; Miss Whitney from Ricker Classical Institute; Misses Gratin from Parsonsfield Seminary, and Misses Manter and Day from Farmington Normal School.

This banquet aroused much enthusiasm for the Silver Bay Convention to be held in June, and it is hoped that several delegates will be able to go. The next banquet will be held at the University of Maine.
INTERCLASS TRACK MEET

The class of 1915 won the inter-class track meet by capturing 44 points. The Seniors were a close second with 42 points, the Freshmen were next with 40, and the Sophomores lost with 23. Captain Nevers was the individual point-winner winning three first places.

Bates 6, U. of M. 5

Bates won her second championship game, Wednesday, May 13th, at Orono, by defeating the University of Maine team, 6 to 5. Butler was the star of the game, getting two three-base hits and a double out of four times at the bat.

Maine used three pitchers, while Stinson pitched the whole game for Bates. Driscoll of Maine was driven from the box at the beginning of the fifth inning.

The sharp fielding of Captain Coady, MacDonald, and Fuller was a feature of the game. Hackett of Maine saved a hit in the eighth inning by a fine one-handed catch.

The score by innings:

Bates 0 1 0 0 2 2 0 1 0—6
Maine 0 0 0 2 0 0 1 2 0—5

Bates 5, U. of M. 3

Bates won her third championship game at Lewiston, Friday, May 15th, by again defeating Maine. Lindquist was the real hero of the game for Bates. He pitched the entire nine innings, got two clean hits, one of which brought in a score, and fielded his position in a wonderful manner.

Bates secured two runs in the first inning when Coady, MacDonald, and Fuller, the first three batters, hit safely. After Lindquist had batted in another run in the third inning, Fox was replaced by Driscoll. One more run was added in this inning when Coady singled to center, bringing in Davis who was on second. The last run came in the seventh when Moore hit a two-bagger scoring Talbot, who was on second.

Lawry played a star game for Maine. He stole second three times, got three safe hits and scored Maine’s three runs.

The line-up was the same for both teams as that of Wednesday’s game, except that Lindquist pitched instead of Stinson.

Score by innings:

Bates 2 0 2 0 0 0 0 1 0 X—5 9 5
Maine 1 0 0 0 0 1 0 0 0—3 7 3

UNION MEETING

This week there was a union meeting of the Y. M. C. A. and the Y. W. C. A. at Libby Forum. Speaker, Mr. Leiper of Amherst in the interests of the Student Volunteer Movement.
pie took for his subject Winston Churchill's novel, "The Inside of the Cup." After telling the story in a brief, interesting way he summed up Churchill's idea of religion. He said Churchill tried to emphasize the difference between Christianity and "churchianity," to call attention to the fact that many churches are under the control of wealth and are definitely opposed to the vital messages of the Gospel. Mr. Temple then spoke a few moments on the question of whether the broadening of the Christian message would really draw people into the church in the way Churchill believed it would. He said the Universalist and Unitarian churches began with that very message, but neither had made the progress that many other churches with more narrow creeds had, in attendance, membership or social or missionary activity. Christianity is not Churchianity, nor yet is it sociology.

ALUMNI DAY

Plans are now being made for Alumni Day, Tuesday, June 23d. The general plan for this celebration in connection with our semi-centennial was printed in the call issued by the Associate Committee in the STUDENT for May 7. Here is an outline of the plans that the class of 1912 has made.

A special committee was appointed from the class of 1912 and they have made the plans. This week a circular letter was sent to each member of the class giving the details of the plan.

The first thing on the program for Alumni Day is a class picnic breakfast at some place near the campus. This picnic is to be a class reunion and all members are expected to be present.

Special arrangements have been made to provide costumes to be worn at the "College Circus" on Garcelon Field on Tuesday forenoon. Both the men and women will be dressed entirely in white. A band composed of the men of 1912 who played in the college band will lead the class in the parade. A special class souvenir has been provided.

A room in Parker Hall has been secured to serve as a headquarters and a lounging room for the men of the class and a similar
arrangement for the ladies has been made in one of the girls' dormitories.

Tuesday night, after the illumination of the campus, the men of the class will gather in one of the hotels of the city and will close the day with a "Stag Party."

BATES 2D 6, GARDINER HIGH 1

The second team defeated Gardiner High, Wednesday, May 12th, at Lewiston, by the score of 6 to 1. Winslow pitched a fine game for Bates Second. Timely bunching of hits was responsible for most of the runs.

The score by innings:

Bates 2d | 1 | 0 | 0 | 4 | 0 | 0 | 1 | 0 | x—6
Gardiner | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 1—1
