Busses Transport Students To Bowdoin

Game, Bus Tickets On Sale In Gym Today, Tomorrow

Trying to defend the difficulty of securing play tickets for the Bowdoin game, the "Garnet" staff are the active promoters of the sale and are churning up a bevy of interest in the "Garnet". Not that any one will care what the "Garnet" staff are doing, but they want to tell the fact that the "Garnet" staff are the active promoters of the sale since last week. Those who have not been able to order tickets at this time are offered to order them at the "Garnet" office before tomorrow. The "Garnet" office is located at the Longfellow Building, and will be open from 5:30 to 7:00 p.m. tomorrow. The price of the ticket will be 5.00 dollars for those who order them today, and 5.25 dollars for those who order them tomorrow. The "Garnet" office will be open from 5:30 to 7:00 p.m. tomorrow. The price of the ticket will be 5.00 dollars for those who order them today, and 5.25 dollars for those who order them tomorrow.

College Establishes Remedial Speech Program

With the establishment of a Remedial Speech program at Bates, the college is taking a step toward the improvement of the educational standards of its students. The program is designed to help students who have difficulty in speaking and to improve their abilities in this area. The program will be conducted by Miss Lydia Schaef, and will meet every other week in the English class. The participants will be able to receive individualized instruction and will be encouraged to participate actively in the program. The program will be open to all students who are interested in improving their speaking skills.

Peterson Displays Cue Skill Program

On Nov. 5, Bates students will have an opportunity to watch a film showing the "Cue Skill Program" which was developed by L.J. Peterson, former student at Bates. The "Cue Skill Program" is a system designed to help students learn how to play pool and billiards. The film will be shown in the Whitcomb Union at 7:30 p.m. and admission will be free. The "Cue Skill Program" is a valuable resource for any student interested in improving their skills in pool and billiards.

Clothes In Reverse, Air Raid Practice

Mark "44's Ignominy

The "44's plan to put on a "Clothes In Reverse, Air Raid Practice" on Sunday, Nov. 19. This practice will be a simulation of an air raid, and will involve all students living in the dormitories. The purpose of this practice is to provide students with an understanding of the procedures that will be followed in the event of an air raid. Students are encouraged to participate in this practice, as it will provide valuable experience in dealing with the stresses and challenges of an air raid.

All Problems - Adler

Wallace Kellogg has written a book called "All Problems - Adler". The book discusses the various issues and challenges that people face in their daily lives, and provides a framework for understanding and addressing these problems. The book is written in a clear and accessible style, making it easy for readers to understand the concepts presented. The book is highly recommended for anyone interested in improving their understanding of the complexities of human behavior.

Tryouts

Spacious new gymnasium at Bates, which was recently completed, was featured in a newspaper article. The gymnasium is designed to meet the needs of the students and the faculty, and is equipped with modern equipment and facilities. The gymnasium will be open to all students and faculty members, and will be used for a variety of activities, including physical education classes, intramural sports, and community events.

The BATES STUDENT, WEDNESDAY, OCTOBER 14, 1942

ON THE ITEM
The outlook of the second World War means American citizens are fighting in the high price. This factor brings the dollars out of circulation, and more. The prosperity of the two leading nations, America and France, in their war efforts, the United States and Great Britain, have not been able to maintain their purchasing power. The French have suffered terrifically and are not expected to recover from this situation for a long time. Of course, this has caused some concern in France."

MILITARY NEWS
The Germans are also making efforts to secure troops and materials for the war. The word is that the French are trying to draw the "men among the men" for the soldiers. While their reasons are not clear for these measures, they are important for the French people to sustain their war effort. The situation is serious, and the French are trying hard to face it.

THE NEWSPAPER
The German newspaper "Der Stürmer" has been banned in France. It was found to be propagating anti-Semitic and racist ideas. The French authorities are taking serious measures to prevent the spread of these harmful ideas.

THE PROTEST
The protest against the invasion of France was held on campus. Students and faculty members gathered to show their support for the French people and to condemn the German invasion. The protest was peaceful, and everyone present participated actively.

THE BATES STUDENT
This week's issue of "The Bates Student" includes an article about the California State Fair. The fair is a significant event in the state, and it attracts thousands of visitors every year. The article highlights some of the events and activities that take place during the fair.

THE CIRCULATION MANAGER
The circulation manager, Norman J. Boyan '43, has been appointed to handle the distribution of the newspaper. He is responsible for ensuring that the newspaper reaches every student on campus.

14 Basketkpep To Coach DeAngelis

With but two more Bates Boston games before the Bowdoin contest, the 1961-62 campaign is looking more and more like a battle to the finish. In basketball, coast all the way through the schedule with a record of 6-2. coach Jimmy DeAngelis is looking towards the day when the Bobcats will face the Bear’s, the men of the Bowdoin line the Garnet, and Decisions are S. of Maine.

Bobs, Cort, Meet East’s Top Teams

By Robertson, Ke.

Field hockey here at Bates last its first seven-game schedule with a 2-0 victory over the Wesleyan team. The team was led by Carol McNeil, Macquarrie, Landis, and Waller, and the same lineup will be used throughout the season. Barbara Allensworth, the goalie, was outstanding as she recorded several saves against the Wesleyan attack.

In the two games last week, the Bears were not in the least surprised by the defeat of the Wesleyan. It was a close battle between the two teams, and the Bears were the clear winners. In the second game, the Bears made a strong comeback in the second half and defeated the Wesleyan by a score of 2-0. The Bears will continue their schedule with a game against the Oxy team next week.

John McSherry. "Al" Aucoin, David Brittle Gold, tipped with "oil-smooth" Osmiridium, SPARKPLUG Contract unconditioned for loss and intentional damage, subject only to change the Bobcat to a woodspussy. It was by far the best game of the year for the Bears, and the second straight setback to the Durgin. However, the modern collegiate in this branch of sports.

For an institution the size of the Bear, it has come to define and express the values that are most important to the students who attend the university. The Bear has always been a symbol of strength and determination, and the students who wear the Bear's colors take pride in representing their institution.

When students performed at their best, little Joe Eye, and former Needham Native Vivian, while Johnny Stepney's bar (Continued on page four)
Definitely the men in the camps, the cigarette that's
sustained shoulder injuries, heals sufficiently.
Except for those vital extra points.

People around here are already talking
from across the bridge, or Del Johnson
up. If Mickey Walker's newly aggra-

vating back and signal caller, is practi-
cally genuine performance. Takeoff
Black, partnered with Dean Men-
nonister for fifteen minutes. It's a
sure prediction that this will be one of
the extra plays. Another officer of
