Bates College
Bates, Colby, Bowdoin
Join Summer Sessions

The administration announces that this school will participate with Bowdoin and Colby in a summer session for men on the Bowdoin campus. Agreement was reached on the program at a recent meeting of President Phillip, President K. C. M. Bliss of Bates, Dean Ernest C. Marri-

gan of Colby, and Colonel Earle A. Montgomery, head of the Veterans Admini-

stration for the State of Maine.

Although all three colleges now have large numbers of veterans as students, many have not yet re-

turned to accelerate this coming summer session. For example, Bates has 674 veterans, to accede-

tively. Consequently it seemed wise to establish a special single summer session rather than for each of the three colleges to operate with a smaller group. Bow-

dolin was the logical choice since, not being large, it has a greater number of men who wish to accelerate than either Bates or Colby.

The summer session will just fit in between the regular semesters here. The Spring Semester will

C. A. Announces Members Of The
Freshman Cabinet

The Christian Association an-

nounces the Freshman Cabinet. The group was chosen on the basis of interest and ability in C.A. As in former years, the function and activities of the group will probably depend for the most part on the general and specific ideas and attitudes of the group.

The C. A. commission met recently to set the schedule for the evening of Monday, May 27. They also decided to have the commission call a conference of all the groups. This conference will take place on the evening of June 3.

The men of the Freshman Cabinet are: Bill Blachon, Bob Fowkes, Harry Furdell, George Grieve, Dick Lewis, John Morse, David Riddle, Jimmie Smith, Bob Snider, Bob Taylor, Doug Dean, Dick Fotter, Bob Harris, John Fry, Don Loomis, Jim Zlotowitz.

BCX Examines New Campus Problems

Though everyone has heard the initials BCX, the meaning of BCX is not well known. What they stand for, the majority assume, is the BCX Committee. It is a student group, consisting of three men and three women. It is a committee to look into the problems of the college. They are not in any way a part of the regular faculty, but they are to function in a way that is in the best interests of the students. The group is not in any way an extension of the regular faculty, but it is a way for the students to express their views and ideas.

Constitution Revives Hillel

The male Hillel group, which was shut down at the beginning of this year, has been reorganized. The new group is being sponsored by the Jewish Brotherhood Council of New England, which is a group of Jewish organizations throughout the United States. The new group is called the Jewish Brotherhood Council of Bates College, and it is being sponsored by the Jewish Brotherhood Council of New England.

Dr. Fisher Shares Letter
From Battle-Scarred Yank

The letter that I have been sending out to Bates men in the service is hoping to find its way to a lawyer. This letter is usually made up of five pages, mimeographed on both sides. The letter that I am enclosing is a letter that I am writing to this lawyer. It is a letter to the lawyer who is going to be in charge of the letter that I am sending out. The lawyer who is going to be in charge of the letter is going to be in charge of the letter that I am sending out. Chase Committee Increases Staff

A Student Council Chase Hall Committee, made up of men and women, will be established by Student Council to plan and carry out men's activities in Chase Hall. It has been suggested that the committee as a whole serve as a central planning committee for men's activities in Chase Hall. The committee will be responsible for planing the activities of the men's house, and it will be responsible for making plans for the men's house. The committee will be responsible for making plans for the men's house, and it will be responsible for making plans for the men's house.

Covey Apt Features Kodachrome Slides

This Thursday, March 28, Captain Covey of the C. E. C. Navy will be on campus to show slides of Kasaikai and the Appalachian trail. He has been making kodachrome slides in connection with his work in those regions, and he will be showing them to interested one.

Students and townpeople are invited to attend the showing of these pictures in Chase Hall at 8 o'clock.

"Ducky"应该是要求了。我们已经在外场了。我应该这样做了。问题是，现在得设法给第一垒的球员一个信号，然后我们可以走。我看到他向我做了个手势。他以前不会的。之后，我向他点了点头。他点点头。然后我们开始投球。我们开始投得更好了。投球的次数也增加了。总的来说，我们都很好地完成了任务。现在我们可以继续比赛了。
