Pres. Phillips Announces New Appointment To Administration

John B. Annett

Students Report On Conference

The Northern New England Conference on World Government of students from Bates, Bowdoin, Colby, Colgate, Hamilton and St. Lawrence Universities, was held at Bates College, Lewiston, Maine, May 6-9.

The Conference was addressed by Dr. Payson Smith of the University of Maine, Paul Moynihan, the Conference Committee chairman, and Dr. Hermin Flora, visiting professor of political science at the University of Maine. The Conference Committee was composed of the Bates students, a representative of the Bates state government, and the International Labor Organization.

Each delegate was assigned to a panel which considered particular aspects of the United Nations. The delegations from Bates report in their respective panels. The decisions of the Conference are to be published for general distribution.

The Bates Chapter of the national forensic society Delta Sigma Rho is proud to announce the nomination of three students for membership in the society. Delta Sigma Rho, and Lilla Kumpunen, members of the class of '47, have been chosen for membership by the Bates Chapter of the fraternity which held a meeting for this purpose on Friday, May 3rd, in the Debating Room in Chase Hall. The meeting was called and presided over by Miss Madeleine Butler of Lewiston. She is a member of the class of '44, and spends her time in Washington,

Quimby Team Debates At Dartmouth Meet

This weekend four members of the Bates Varsity Debate Team will go to Hanover, N. H., to participate in the Dartmouth Invitational Tournament and will participate in five debate meetings. The team will be called and presided over by Miss Madeleine Butler of Lewiston, a member of the class of '44, and will be assisted by several other members of the team.

The Bates Chapter of the fraternity which was called the Bates Varsity Debate Team, which is composed of fifteen members, was founded in 1945.

Student Congress Meets In Prague

An International Student Congress is to take place in Prague this summer from the 11th to the 15th of August.

The main purpose of the conference will be to discuss the problems confronting the World Student Congress. The conference will be open to all nations of the world, and all those who are interested in the Congress are invited to take part in the discussions.

The conference will be held in Prague, and will be attended by delegates from fifty-one countries who have requested to attend. The conference will be divided into four sections: political, economic, social, and cultural.

On Conference

Dr. Anders Myhlan, visiting professor of political science at the University of Maine, addressed an audience of 300 Friday, May 9th, in the Little Theatre. He spoke on the subject of "Finnish Culture." The occasion was "Finnish Night," first of a series of programs organized by the Bates Chapter of the national forensic society Delta Sigma Rho. The program included music, dance, and a discussion of Finnish culture.

Dr. Myhlan, who is from Helsinki, commended the role of Finland in raising of inter-cultural education as an important means of developing mutual understanding and appreciation through knowledge of different national cultures. In addition, he discussed the Finnish student movement and the role of students in promoting understanding between nations.

The Conference was addressed by Dr. Payson Smith of the University of Maine, Paul Moynihan, the Conference Committee chairman, and Dr. Hermin Flora, visiting professor of political science at the University of Maine. The Conference Committee was composed of the Bates students, a representative of the Bates state government, and the International Labor Organization.

Each delegate was assigned to a panel which considered particular aspects of the United Nations. The delegations from Bates report in their respective panels. The decisions of the Conference are to be published for general distribution.

Day And Harrington Complete Series With Holy Cross Debate

Last night Pat Harrington and Don Dunn wound up their debating season with a meet at Holy Cross. The Bates Chapter of the national forensic society Delta Sigma Rho is proud to announce the nomination of three students for membership in the society. Delta Sigma Rho, and Lilla Kumpunen, members of the class of '47, have been chosen for membership by the Bates Chapter of the fraternity which held a meeting for this purpose on Friday, May 3rd, in the Debating Room in Chase Hall. The meeting was called and presided over by Miss Madeleine Butler of Lewiston. She is a member of the class of '44, and spends her time in Washington, D.C.

Dr. Phillips Speaks At High Schools

President Charles Phillips recently appeared as a guest speaker at four high schools in the metropolitan New York City area. The speaking engagements were arranged by the Parents-Teachers Association of the Columbia Grammar School. President Phillips has been invited to speak at several high schools and colleges for commencement and other speaking engagements. Although he has refused to refuse in many cases, among those accepted are the British High School in Bristol, Conn., May 4; New River High School, New Haven, Mass., May 4; Chasing High School, Malden, Mass., May 4; and Harvard High School, Newton, Mass., May 5. On May 7, Mr. Phillips will speak at the Bates College Speaking Club.
In this spring... In this spring, the young folks' faces seem to have turned to thoughts of food. You say the quality is all right and the cooking is fairly good, except when you're not hungry enough. Of course you did eat the vegetables because you cannot remember eating it before, and you probably would not like it anyway. Then again, the meals are strictly-so, there was a salad, but the leaves of the lettuce were not arranged the way they were when you first learned to eat it, and I'm not sure you would have preferred it if they had been arranged differently. The leaves were not arranged in the same way that you remember from when you first learned to eat it, and I'm not sure you would have preferred it if they had been arranged differently. The leaves were not arranged in the same way that you remember from when you first learned to eat it, and I'm not sure you would have preferred it if they had been arranged differently. The leaves were not arranged in the same way that you remember from when you first learned to eat it, and I'm not sure you would have preferred it if they had been arranged differently. The leaves were not arranged in the same way that you remember from when you first learned to eat it, and I'm not sure you would have preferred it if they had been arranged differently. The leaves were not arranged in the same way that you remember from when you first learned to eat it, and I'm not sure you would have preferred it if they had been arranged differently. Bates Track Team Competes at N.H.

Last Saturday Coach Ray Thompson took his track squad down to Durham, N. H., to compete in the 16th annual University of New Hampshire track classic. Bates is not considered a track power, but Thompson was able to get the team into the top four. The meet was not the easiest trip for the boys, but they still made it to compete. Thompson gave an interview about the meet in an attempt to get some more out of the boys.

Although the Bates squad came at last and were weak in most events, they are definitely on the upswing. Coach Thompson is building the team for next year and the meet furnished valuable experience. For about half of the squad, this was the first meet they had ever been in.

The Bates scoring was divided among six men. Mike Laeso took the lead, and third in the high jump for a total of five points. Allen Hiclark placed two points in the broad jump by getting third place. Bill Jiler got off to a one run lead early in the 160 and second place in the 220 with a time of 23.2. Jim Crothers matched the J. B. with a resounding 24-16 victory to take a lead never lost. This halfaining to take a lead never lost. This halfaining to take a lead never lost. This halting to take a lead never lost. This halting to take a lead never lost. This halting to take a lead never lost. This halting to take a lead never lost.
