Bobcats Trounce Bowdoin Bears In 6 To 0 Struggle Before Cheering Alumni On Muddy Garcelon Field

No. 29, Donovan of Bowdoin, Skirting End for Nine Yards

Three thousand enthusiastic fans and a record attendance witnessed the historic clash between Bowdoin and Bates. Early in the game, Norm Parent was injured on the play and was carried off on a stretcher, later being transferred to the hospital. The game was played under the lights in a packed stadium.

Bates-Stuarts

The Bates-Stuarts reunion was held at the College on Saturday, Nov. 9. The event included a dinner and dance for alumni, faculty, and students, followed by a college-wide gathering in the gymnasium. The evening concluded with a performance by the Bates College Band. 

Freshmen Officially Enter Student Body As Green Ties And Bibs Vanish From Campus

Alumni Return For Back-To-Bates Days

The opening of the Back-to-Bates event was marked by a colorful parade led by the band. This annual event is a highlight of the college year, with alumni returning to campus to reconnect and enjoy the festivities. 

Columnist Tonight's Column

Dr. Myhrman Speaks In New York Saturday

"A Half Century of Change" will be the subject of Dr. Myhrman's address in New York on Saturday, Nov. 9, to commemorate the fifty-year anniversary of the establishment of the Bates College Women's Club. The event will feature speeches, a panel discussion, and a reception. 

Alumnus Praises Bates Catalogue

"Bates College can take pride in the leadership that it has exercised in the college world in the modernization of college catalogues," said Wagner Davis of Boston, who graduated from Bates in 1930 and has been involved in the college's public relations efforts. 

Calendar

Thursday, Nov. 7—Student Government Debating Party, Little Theatre, 7:30. 
Friday, Nov. 8—11:00 Morning rehearsal for freshman installations.
6:00 George Colby Chase Lecture—Earle Spencer, Bates Chapel.
Saturday, Nov. 9—3 Rand Hall Cabin Party.
Monday, Nov. 11—Noncumulative pinning of Homecoming Day, Colby Game.
Tuesday, Nov. 12—C. A. Reconstruction Discussion Groups in Faculty Homes, 7:00.

WSSF Drive Gets Under Way Here

Perhaps you haven't noticed it yet, but the C. A. Reconstruction Commission is hard at work. Soon you will see posters everywhere — the letters WSSF. You will soon dig into your pocket, and say — another drive! You will be alarmed, but need not be. This is a drive, not only for money, but for interest — interest in people, which may never meet, but who are important to your life. The welfare of these people is important to you, and worth so much to you today as your own will be in the years to come. Think about it awhile.

Tuesday, the 6th, Otto Gullmes, who is responsible for the C. A. Commission, will speak to the members of the commission. During the war, he was in the research department of the Focke-Wulff Company, working on the development of the Focke-Wulff C.V., a fighter plane. After the war, he worked for the National Geographic Society, where he was involved in the production of educational films. 

Bates-On-The-Air

This week Bates-on-the-Air will take its audience back to Bates Little Theatre to hear about the musical theatre scenes activity for Redheifer Players' forthcoming production: "Once in a Lifetime." The original script for the program was written by Otto Gullmes. The show will incorporate that feeling into a skit, "the happenings" in the theatre during play-making time. 

Bates-On-The-Air program for Wednesday, Nov. 6, 3:30, will feature interviews with some of the students who will be participating in the production. The show will be broadcast live from the theatre, and the student personnel will be interviewed and directed by the students themselves.
Lysander Kemp Depicts Life Of South America In Poetry

By Bert Haynes '48

With all the maturing and spirit- lousing about the housing units, it's small wonder that the students are down to the grubs of other com-

 petitioners. At B. U., they explained the first officers were

 changed: 1912—two cars in every block of the dormitory;

 1945—every car in every garage, and the cars are being put to

 good use. At Bates, however, the committee is busy working

 out the most practical project of all, which, it thinks, the students

 wholeheartedly support. The committee believes that the

 children are secure and the roots of the school will flourish

 under the care of Mr. James P. Wilson. Mr. Wilson has been

 performing his duty, he was forced to report, at least five

 times this week. In the office, he was busy keeping an eye

 on his fellow students, a task which promptly moved into
town. He plans to move to

 out as are seen are not complete.

Monday Bates Meets Traditional Foe, Colby

Scrappy Jack Shee Will Lead Bates Eleven In Last Game

Inciting Bates has given up only six touchdowns thus far this season, many scribes have said it to call the finest like the football in Maine. The versatile 28 and holding down tackle position in the Beloit front wall is hard-charging Jack Shee, all 211 lbs. weighing 196 pounds.

February 17, 1946, in Brockton, Mass., Jack moved to spring football ten years later. While attending General High, there he played basketball, football, and baseball for years of terrific football and football. He then attended Bates in 1946. After graduation, Jack came to Bates, where he settled into his present tackle position. Possessed with that natural college spirit, Jack was named All-American in 1947.

The Bates score came late in the first quarter when spunky Art Blanchard charged right through the center of the Colby line and netted a 17-yard touchdown. It was a 17 yard Howlett reverse and a 1-yard pass to Larochelle that left the Colby defense stupefied. On two other occasions the Cat лиц threatened to score. Halfway through the second quarter, Willinger Hep got away for 35 yards from midfield through a huge hole in the Bates defense and interlaced to Blanchard who had a clear path to the goal. The daring play misfired, however, when the slippery ball was knocked into the arms of an alert Bowdoin back who quickly pounced upon it.

Late in the third period after Doctors of Bowdoin had interlaced Blanchard's pass on Bates 25 and Denverov had fumbled on the next play, the Cats took advantage of the resulting fourth down to center. Then came a 49-yard field goal. Freshman Hep who carried the ball through the injury which had bothered him so early in the season. Coach Thompson is looking forward to adding the name of "Sheee" to his tackle roster. Jack having his letter in that sport, also in '41 and '42. He is unmarried, a psychology major, and a senior. Jack has a tough job replacing one of the best running tackles in Bates' years of terrific football. He played football, basketball, and baseball and a lifetime of terrific football. His former Bates classmate, Betty Davis, who is in new working in the college bookstores.

Bowdoin Game

(Continued from page one)

Joyce's All Around Hard Work Vital Factor In Team's Success

A vital cog in the successful Bates eleven has been the general all-around work of John P. (Jack) Joyce, III, whose chief duty as end has been the snaring of punts. The scoring Colby fumble will also be Jack's last encounter as a gridiron participant, but he will be on hand when the basketball season gets underway.

Jack is a resident of Worcester, Mass., single, 6 ft. 1 in., weighs 174 lbs., is 22 yrs. old, and is a senior. He played football, basketball, and baseball for three years in high school and did the same for one year at Worcester Academy. Jack relishes that his football team was undefeated that season and beat the Bates freshmen.

Jack came to Bates in 1946 and participated in both the football and track cafes for two years, being a member of the Navy Midshipmen. During the season of 1946. He left in March, 1946, and was sent to a Midshipmen's School at Plattsbridge, N. Y. He was made an Ensign shortly afterwards and left the Bates for the Pacific Theatre in October of 1946, not returning until about the middle of last season. He married his former Bates classmate, Betty Davis, '48, who is now working in the college bookstores.

Intramural League

Monday was homecoming in the Bates country as the Bates team beat Colby and ran second to Maine in the annual track meet. Lloyd Birch, T. John Brown, and Monte Ireland were a monkey wrench in our halfback. The Cats moved forward with Artie Blanchard and were a monkey wrench in our backfield. The Cats moved forward with Artie Blanchard and were a monkey wrench in our backfield. This is the beginning of State Track Meet.

The Bates score came late in the first quarter when spunky Art Blanchard charged right through the center of the Colby line and netted a 17-yard touchdown. It was a 17 yard Howlett reverse and a 1-yard pass to Larochelle that left the Colby defense stupefied. On two other occasions the Cat лиц threatened to score. member of the Lewiston-Auburn Little Theatre group. But Norm's not the acting in what he wants. He simply was a member of the class of '12, but was de-
assigned from the class in the last several years. Now, with three Bates dramas behind him, "Peter Pan" at "The Crucible," Back, is working very hard in "One in a Million" so as he can become a bet-
ner actor. Then, (now) Trafalgar Montla "B," who plays Jerry, the second lead. Traf-
the business just for the fun of it, but he has a solid acting background having appeared in such plays as "Pygmalion" and "Quality Street." Also working just for the fun of it is Norman Jordan 90 or Mr. Flinch, who appeared in "Pygmalion" and also in "The
tail," last season. Then there's Mr. Kaslow 68, better known in Lewiston as a bit part, who insists that Miss Schacter is priming him for the part of the bell in "A Doll for Ad分子.
