Bates Meets Bowdoin in State Series Game
By Gene Zelch
The baseball team travels to Brunswick this afternoon for the first game of a three-game State Series contest with the Bowdoin Biscuits. The games will be held at the field owned by Bates College.

The Bates baseball club is coming off a successful season last year, finishing second in the State League behind the Bowdoin Biscuits. The team is hopeful of repeating its success in the current season.

Bob Vail, the team's captain, has been leading the team with his strong performance at the plate. Vail is currently hitting .340 with 5 home runs and 15 RBIs. His leadership has been crucial in motivating the team to perform at their best.

The Bates lineup includes several other players who have been impressing the team. Bill Simpson, the team's starting pitcher, has a 2.50 ERA and 80 strikeouts in 75 innings pitched. He has been a key player in keeping the opposing team's runs to a minimum.

The Bowdoin Biscuits, on the other hand, are coming off a strong season last year, finishing first in the State League. The team is led by their star pitcher, Bob Blanchard, who has a 2.20 ERA and 121 strikeouts in 100 innings pitched. Blanchard has been consistently dominant on the mound, limiting the opposing team's offenses to a minimum.

The state series will be a good test for both teams, as they will face each other multiple times in the next few weeks. The series will be a good opportunity for both teams to show off their skills and compete against each other.

The first game of the series will be held at the Bowdoin College field. The game is scheduled to start at 2 PM, and admission is free to the public. The team hopes to have a good turnout from the fans to support the team.

The second game will be held at the Bates College field. The game is scheduled to start at 2 PM, and admission is free to the public. The team hopes to have a good turnout from the fans to support the team.

The third game will be held at the Bowdoin College field. The game is scheduled to start at 2 PM, and admission is free to the public. The team hopes to have a good turnout from the fans to support the team.

Married Vets Elect DonWebberPresident

Donald Webber was elected president of the Vets and Chain club last Friday night at a two-hour business meeting. The other officers elected were Shirley Glenn, vice-president; Darla Whitten, secretary; and John McCarthy, treasurer.

Administrative Assistant Charles H. Sampson, who has been associated with the club, reported on the improvements the administration is now putting into Sampsonville. Few cigarette smokers have been found here. The habit is being battled for the children, and an inhaler will probably be ordered soon.

President-elect Donald Webber appointed a committee of four, consisting of Davis and Neal Smith to serve with him as a committee to arrange for an outing sometime this month for the married couples and their children.

The treasurer reported that the net profit from the "Mel in the Mansion" production is $275. What will be done with the money will not yet been definitely decided, but it is apparent that the club will no longer have to depend on the revenues of the annual "Mel in the Mansion" to carry on.

Names of the officers officially Stated both the Christian andAssociated. The Chain executive committee for the term of four years is entitled to call for the efforts in getting the club up.

Joe Smith, and Rachel Fogg, Edward and Shirley Glenn, Daniel and Lorna Gibson, Ruth Perkins have served on this year's executive committee.
