
A total of 115 students made the Stu-C Sadie Conference, the largest in the 46-year run of the conference, according to Mr. Harry W. Rowe, Dean of Students. The conference was held Wednesday night, with Prof. Roger Williams as the keynote speaker.

The conference concentrated on the theme of rain on Sadie Hawkins Day. In the presence of Sadie Hawkins, the conference was opened by Mr. Dwight Smith, President of the Stu-C.

Sadie Hawkins Day will be celebrated this year on November 30th, rain or shine. The conference will be held in the Alumni Gym, and will feature speeches and music throughout the day.

R. Players Sell Season Tickets

Robinson Players have announced the sale of season tickets for the coming 1948-49 season. The tickets are available in four different price categories, ranging from $5.00 to $10.00.

The season tickets include admission to all five performances of the season, including the opening night performance of "The Boy Friend," which will be held on October 26th.

Geopoliticians Participate in Intercollegiate Trip

Representing Bates College at the annual meeting of the Geopolitical Society being held at Brown University, Lansing and Vaughan, two members of the Geopolitical Society, will be attending the meeting.

The annual meeting will be held on October 26th, and will feature discussions on the current state of world politics.

Lambda Alpha Elects Officers, Plans Social

Lambda Alpha, the national honor society for journalism, announced the election of its new officers for the upcoming academic year.

The new officers include President John Smith, Vice-President Jane Brown, Secretary Mary Jones, and Treasurer Bob Johnson. The new officers will be sworn in during the society's annual meeting, which will be held on November 5th.

Committee Arranges Gala Back-To-Bates Weekend

115 Students Make Last Honors List; Award Given to Edward Little High

A total of 115 students were named to the last honors list of the academic year, marking the largest number of students to be named to the honors list in the history of Bates College.

The list includes students from all over the world, representing a wide range of academic disciplines.

From all indications this year's Back-to-Bates weekend promises to be a remarkable event for all Bates students who will be attending. The weekend will feature a variety of events, including a gala dinner, a concert, and a variety of other social activities.

Orphic Society Opens Season; Has 30 Members

One of the gala events of the season is the opening night performance of "The Boy Friend," which will be held in the Alumni Civic Center on October 26th.

The society has announced the opening of its season with a performance of "The Boy Friend," which will be directed by Professor Robert Brown.

The season includes a wide range of performances, including plays, concerts, and other events.

Entered as second-class matter at the Lewiston P. O. January 30, 1913 under the Act of March 3, 1879.

THAT MAN'S BACK AGAIN

At last one October, a year ago, this man was a figure in a very serious way. But when the stagey year was brought to a close last June, it was with the feeling of aHappy New Year that we focused on the future.

Now, however, with the coming of the month of October again, we are confronted with the fact that this man is back again.

Many of us were pleased to see him go last June, but now that he is back again, we are not so pleased.

Do we have any idea what this man is going to do next time?

We do not know, but we do not think that it is going to be very pleasant.

Perhaps we should have asked for more money instead of just getting rid of the man.

But now that he is back again, we are going to have to deal with him.

The only way to deal with him is to make sure that he does not come back again.

Therefore, we are going to have to be very careful.

We do not want this man to come back again.

THE FRATERNITY BAN

The ban on fraternities is still in effect and it is being enforced.

It has been decided that no fraternities will be allowed on campus.

This is a good decision, but we do not think that it is going to be enough.

We need to do more to make sure that this man goes away for good.

THE WINTER HOLIDAYS

The winter holidays are coming up and we are looking forward to them.

We are going to have a lot of fun during the holidays and we are going to make the most of them.

We are going to have a lot of parties and we are going to have a lot of games.

We are going to have a lot of fun.

THE NEXT YEAR

The next year is going to be very different.

We are going to have a new set of students and we are going to have a new set of professors.

We are going to have a lot of changes and we are going to have a lot of fun.

We are going to have a great year.

Bobcats Return From N.U. With 12-0 Win

plans now underway for bowl tournament in cage

By Nancy Marcus-Taylor

Yes, kids! This is it! We're starting something permanent here at Bates. There's never been anything like it in the history of the college. We've been going to satin football games for ages, but now we can actually be a part of something that's going on. The rules were devised tonight, and everyone will have a chance to attend a game in the near future.

Bates Activity Ticket to get the special price.

Bates students will enter and have the fan with Pine Street ticket.

Bates students must have both their own ticket and Bates Activity Ticket to enter the field.

Middle-JW Will Meet in Climax

In preparation for the Big East Bowl, Middle and Johns Hopkins continued to work on all during the week. Off-came-tripped up by Bob New disciple 2816, the Bates came from behind to win 28-18 with each team scoring three touchdowns.

The game was held against Colby. An upset victory was expected, but the Bates men continued to play hard and scored a winning touchdown early in the season.

The Men's first game ended in an overtime victory over Maine, 5-0, precipitating the season's first showdown with Colby, to decide the state championship.

Bates Activity Ticket. The latter advancing the ball to the 15 yard line. Tony Rotondo booted the ball 35 yards and the team was up by three points.

The football season will begin Saturday against the Lowell Tech. The Bates men will play at 11:30 a.m. in the state of Maine. The game will be played at Garcelon Field, the Bates field.

Around Garcelon Bobkittens Win In Final Quarter 7-6

It seemed that a crisis had been averted, but then Bates ran down to the Bulletin. The art of play had been poured out of the game, followed a few moments later by an attempt to convert the game. With a score of 7-6, the Bates men continued to use the game and European style. Bob Rotondo proved that he can play against Garcelon. Three standouts in the final quarter were: Nick Valoras, the latter advancing the ball to the 15 yard line. Tony Rotondo booted the ball 35 yards and the team was up by three points.

Bates Librarians Attend N. E. Library Association Conference
Two of the Bates librarians, Miss
Muriel M. C. Crone and Miss
Audrey M. F. Linhart, attended the
annual conference of the New England
Library Association, held in Boston last
month. The Maine Library Association,
was the host of this. Miss Linhart acted as
Secretary of the Maine Library Association.
At the banquet on the first day of the
conference included Dr. Lowell Martin the
American College of Library Science, Columbia University, who spoke on great books. Mr. W. V. Clapp, the chief assistant of the
Library of Congress, and Dr. Paul
Barber, the dean of the Library
Schools, addressed the students.

Frosh Rules
(Continued from page two)
Three types of meetings are planned
for the Sunday night. Fellowship meetings
in the University Union; the United
Baptist Church of Lewiston; and a
film discussion, in which current
problems of the campus will be
related to the contemporary religious
scene. The groups may evolve into
reading clubs, and students of all
denominations are invited to attend.

Newsmen Club
Newsmen Club will hold its first
meeting Thursday, October 28 from
7:00 to 9:45 p.m. at the Masonic
Home. Meetings will include discussions
of future plans. Arrangements for a
student party will be the main topic
of the discussion. A new chaplain
will take the place of Father Joyce who
will now be traveling.

Officers of the club will be in¬
troduced to new members.

Sykes Speaks To Food Chains On Retail Food Problems
Predicting a substantial increase in the number of retail stores in the
near future, Dr. Charles Phillips, president of the National Association of Food Chains in Chicago on Thursday, October
14, stated that Bates is in a far better
position than most of the schools represented at the meetings. For this reason, he said that Bates should be
more active in the New England meeting, October 14.
