Volunteers Mobilize Bates is "Superior"

President Phillips told a student-faculty assembly Sunday that according to word received from Augusta and from talks with various other colleges, the pledge by Bates is superior to anything yet." Dr. Phillips had previously outlined the program to be followed during the emergency, emphasizing Bates' primary interest in combating the fires. Students were warned against fighting the fires themselves, saying that Bates has received all calls from a central agency in Augusta. Bates has furnished 500 men for use in the district under the direction of Governor Hildreth and his Disaster Committee. This has been done under the assumption of no emergency has not yet erupted in Bates efforts," Dr. Phillips asserted. Classes will continue during the week of Oct. 26 through Nov. 1. All res will be canceled by the various instructors, but when cancelled, will be rescheduled in a few days in one of the college courses or in some other activities in cases will be impossible.

In the mean time, Bates campus is being held in abeyance because of many milligrams in all forms of entertainment stands today, the Associated Students of Bates Chornguring during the daytime hours.

The male student body has been mulitized into various groups which will work alternately, so that the present situation is alleviated. Approximately 300 men have been called as volunteers at the present time. Each has to accommodate himself to varying parties wherever possible. Bates has been asked by the Governor Hildreth to have 300 men leave Bates campus every day for the conference's advantage in the state. Monday, 65 men have been asked to leave campus. Tuesday 25 went to Kennebunk, 29 to the Boston area. Wednesday 15 went to Kennebunk. Thursday 90 went to Bar Harbor. On Friday there were 10 north of the town, and 21 north went to Kennebunk and again, 100 left at 5:30 in the morning for Kennebunk.

Nothing, however, could speak better than the way that the word came from Augusta, "every time that they have had Bates men, they have asked to have them returned.

Robert Foster, Manager of the Friday Club. The purpose of the Friday Club is to help students to make friends and to enjoy their free time together.

During the past year, the Friday Club has sponsored a number of interesting events. These include a dance at the K. J. Anthony house, a Christmas party for the children of the town, and a movie night at the local theater. The club has also organized a number of social events for students, such as a picnic and a bowling outing.

The Friday Club is open to all students and is a great way to meet new people and to have fun. If you are interested in joining, you can contact Robert Foster at the college union.

If you are interested in more information about the Friday Club or any other campus organization, please contact the Student Activities Office at the college.

Frosh Lose To Lawrence Team

Combining haste and ability in a 9-to-0 victory, Lawrence Academy defeated Bowdoin in a game played on Saturday.

When Wally Leahey turned up on the first day of football practice with a shoulder bandage in his host, it appeared at first that the Bobkittens would be a winning combination. Lawrence had a fine team on the field as possible, and was then pleasantly surprised when it appeared at first that the Bobkittens would be a winning combination.
