WHY I BACK HAROLD STASSEN

By Bill Stetske

I submit a personal statement in support of Mr. Harold Stassen, Republican candidate for the presidency.

Mr. Stassen is a man of experience and judgment. He has been a leader in the Republican party for many years.

He shares with me the belief that the United States is now facing a crisis of serious proportions. The situation is not merely one of political differences, but of deep-seated policy issues.

I believe that Mr. Stassen has the vision and the leadership necessary to guide the country through this difficult period.

The future of the United States is too important to be left in the hands of those who cannot see the larger picture.

I urge you to vote for Mr. Stassen on Tuesday, November 2nd.

In a contest featured by 23 1/2 points, the Bates Bobcats topped the Jayvees, 94-44, in a thriller played before an enthusiastic home crowd.

The game reached the conclusion of season's play for the Frosh 1949 in a fashion that left no doubt as to the outcome. Millikan and Whitaker, both Minors, led the Bobcats as four of five were in double figures and four in the high teens. The officiating was fair, and Bobcats had some good shots and都有 some good work.

Only the Bobcats, who bunched the scores to win the tilt, were without a win in the dual matches played last week. Midland, 50 to 70, flogged Mostly during 14 of 15, and fell behind for the first time in the first quarter.

The Bears opened up the gap further in the final minutes of the second quarter, picking up a 20-10 edge. The Bears took back a 1-10 lead in the third period, but the Bears were still in the game. They won the match 78-67.
