Glazn, Stringfellow and Glanz
Debaters Win Decision Over Harvard, Will Travel To National Championship Tourney at West Point

Trotskian, Stringfellow and Glanz
Win Prizes In Oratorical Contest

No great number of freshmen debated to advantage on the floor of the Union Tuesday night. It was announced that both Glazn and Stringfellow will travel to the national championship at West Point.

Glazn, Stringfellow, And Glanz
Juniors Pick Ivy Event Committees

On the announcement of the third annual debate program, students were given a taste of the events that will be held at the university. The debate program was sponsored by the Glazn, Stringfellow and Glanz.

The debate program was split into several events, including the debate with Harvard, the debate with the Bates Choral Society, and the debate with the Bates Choral Society. The debate program was held in the Union on Tuesday night.

Frosh Bev Jones Wins Dinmore Lit Contest

Bev Jones, a frosh in the English department, was announced as the winner of the Dinmore Literary Contest. Jones won the contest with his essay, "On Life in America," which dealt with the social and political issues of the country.

The contest was sponsored by the Dinmore Literary Society, and the essay was judged by a panel of judges, including Fred A. Knapp, Emeritus Fred A. Knapp, and David J. Crotts, a professor of English.

"On Life in America" was chosen as the winner because it "reflects the diversity of life in America," according to the judges. Jones was presented with a certificate and a prize of $250.

Stassen Groups Form In Maine

Stassen groups have been formed in Maine to support the candidacy of Governor Al Gore, a Democrat from Minnesota. The groups are being organized by the Stassen political action committee.

The groups will be responsible for coordinating volunteer efforts, organizing fund-raising events, and providing other support for Gore's campaign. The groups will be based in the state's most populous cities, including Portland and Bangor.

The formation of the groups is seen as a significant development in the race for the Democratic nomination, as Gore is currently leading in national polls. The groups will be an important part of Gore's campaign strategy, as they will help to mobilize voters and ensure that Gore's message is heard in every corner of the state.

The groups will be led by local volunteers, and will be supervised by state-level Stassen group leaders. The groups will be given a significant degree of autonomy, but will be expected to follow national guidelines and strategy.

Frosh Debaters Vie For Title

Four members of the frosh debate team will compete in the upcoming debate with Harvard. The members of the team include Al Gore, a Democrat from Minnesota, and David J. Crotts, a professor of English.

The debate is scheduled to take place on Tuesday night in the Union. The team will be hoping to continue their winning streak, which has included victories over the Bates Choral Society and the Bates Choral Society.

The debate will be judged by a panel of judges, including Fred A. Knapp, Emeritus Fred A. Knapp, and David J. Crotts, a professor of English.

The debate will be an important part of the Stassen campaign, as it will provide an opportunity for Gore to showcase his skills as a debater and to demonstrate his ability to handle difficult questions.

The debate will be broadcast live on the university's radio station, and will be available for viewing online. The debate will be an opportunity for the public to see Gore in action, and to assess his effectiveness as a debater.

A STUDENT VIEWPOINT

In recent years, the role of student journalism has become increasingly important in reflecting the views and concerns of the student body. This committee is also set up to represent student viewpoints. It likes to state our policy in regard to editorials and letters to the editor of students. We attempt to give proper publicity and coverage to student viewpoints, but letters to the editor do not necessarily represent the views of the entire student body.

Published weekly at Chase Hall, Bates College, during the college year.

One Man Forum In Field Of Forensics

By James Harrington

"Believe it or not"—Bates has its own debaters. The Forensic Institute, whose constitution was first presented before the college last May, has grown to quite a size. The students have been careful to select members on a non-partisan basis, and the whole business is set up primarily for the benefit of the students.

The Quimby Institute is an un

Abraham Lincoln's birthday was celebrated with much dignity and enthusiasm. The students of the Institute have been working hard to build a new case for the side just mentioned, and are now ready to present it for the first time.

Politics Preferred

By Cy Nona

Observation: Wherever economics and politics are concerned, and where human nature comes into contact with money, there are opportunities not only to overcome the temptations that native to universal peace, but also to strengthen the bond of human society.

The Institute is composed of various political groups, each of which serves its own purposes and interests. It is a place where students from all political groups can meet and discuss their views. The Institute is open to all students, regardless of their political affiliation.

Baseball Team Departs On Two-Game Road Trip

Baseball Softats On Wednesday

The intramural softball team got off to a flying start last Saturday when the team defeated the Bobcats 9-2. The game was played at the new softball field and attendance was very good. Many weather favorable conditions permit the team to practice outdoors and the players are looking forward to the upcoming games.

Parents Miss Play Due To Arm Injury

A small wound to the hand is all that has kept a small child from playing baseball this season. The child, who was injured while trying to catch a ball, has since recovered and is expected to return to the game soon.

Bowdoin Defeats Bates Team By Large Score

A well-concerted baseball team, Bowdoin defeated Bates in a large score game. The game was held on Saturday afternoon and the final score was 10-2.

Benjamin

A successful baseball season has been marked by several record-breaking performances. The team has set new records in both games and individual matches.

News and Notes

In Nancy Norton-Taylor

The Bobcats may be on the short end of the field recently, keeping their season alive. They have watched them through high school, the army, and then here at Tufts. The former star, we find him winning twelve games for the war. A reconnaissance of his pitching abilities under wraps so that your eyes will not be too quick on the draw.

The remainder of the league series time. With Norm Parent out of the lineup, they then proceed to point out that this is the dual weekend with plenty of power at the plate.

Bowdoin baseball is a good team as a freshman, shifted to end last Thursday when it was needed.

The adage that you can't keep a good man down saw evidence piled against it last Thursday when it was needed.

A sadly undermanned Bates track team as a freshman, shifted to end last Thursday when it was needed. Not long after two more runs scored, the Bobcats may be on the short end of the field recently, keeping their season alive. They have watched them through high school, the army, and then here at Tufts. The former star, we find him winning twelve games for the war. A reconnaissance of his pitching abilities under wraps so that your eyes will not be too quick on the draw.

Proxy Addresses Various Groups, In New England

During the past few weeks, President Phillips has been giving speeches to various groups in New England on subjects ranging from Bates policies to public affairs.

Prior to addressing the Camden Rotary and Lulu Club on April 6, he asserted that students of today are more serious-minded about college than their predecessors, and that they are genuinely interested in world affairs.

In his speech at a dinner meeting of the Bates alumni of the Bangor area on April 7, Dr. Phillips emphasized the need to finance them and take them over. We do not want the government to force us to consider an increase in tuition.

On April 8, speaking before the Ladies' Aid meeting of the New Hope Church in Bangor, Dr. Phillips urged all action to cheer up the spread of Communism in Europe and in China.

Addressing Bates alumni of the greater bangor area at a dinner meeting on April 9, President Phillips pointed out that the number of outstanding applications is limited by the size of the college.

Speaking to the students at His- toric Academy on April 14, Dr. Phillips said that while solutions to present-day problems cannot be stated in exact terms, a study of the past is essential to the discovery of today's solutions.

Today, President Phillips spoke at a luncheon meeting of the New England Chapters and Furniture Association. He said that businessmen have a real chance to position their "war room" psychology.

Methodist Group Meets;
Plans Wesley Formation

Plans for the formation of a Wesley Club were discussed at a meeting of the Methodist Student Fellowship last Saturday evening in the honor of the Rev. T. W. Wilson, pastor of the Methodist Church in Lewiston.

The speaker was the Rev. Cha- rles Laws. Leader of the College Student Group. Members gave a special report on the New England Methodist Student Movement Conference at Worcester, Mass.
