Record Student Body Attends First Chapel Ceremonies

Ten New Professors Fill Gaps In Seven Departments

853 Students Hear President

As usual, President Bud Clark was greeted by an enthusiastic assembly. After the singing of "The Star Spangled Banner," President Clark introduced Mr. Sampson, congressman from Springfield, Mass., as his alternate, and Dr. Donald McCreary of Bronxville, N. Y. Dr. McCreary, an alumnus of the class of 1934, Mr. Wait received his master's degree from Harvard in 1933 and his doctorate in philosophy from Brown in 1937. He was a member of the board of trustees of Bates from 1949 to 1954 and a member of the executive committee of the alumni association. He succeeded Prof. McDonald, who will take over the history and government departments.

CA Inaugurates New Book Lending System

The inaugural meeting of the CA Inaugurates New Book Lending System was held in the Alumni Gymnasium on Tuesday, Sept. 22. The meeting was attended by the faculty of the college, the members of the CA Association, and the officers of the CA Association. The meeting was called to order by President Warren Stevenson, who welcomed the guests and introduced the officers of the CA Association. The president then announced the adoption of a new book lending system, which will be inaugurated in the fall of this year. The new system will provide for the loan of books to members of the CA Association, and will be available to all members of the college community. The system will be managed by the CA Association, and will be supervised by the faculty of the college.

IMUR Concludes Freshman Week

The IMUR concluded its Freshman Week activities on Friday by awarding the IMUR medallion to William Stringfeliow, the Class of '52, for his outstanding performance during the week. Stringfeliow was one of the top ten students in the class, and was selected by the faculty for his outstanding work. The IMUR medallion is awarded to the top ten students in the class, and is a symbol of excellence. The medallion is awarded to the top ten students in the class, and is a symbol of excellence. Traditional Rules Begin Friday

By Midge Harthan

"A new look" now. Too. "The print'll be centered more and only run on one side of the page. This year is a stab for the world to turn over and see the world." Interesting...

The administration has decided that the classes, the various publications of the student body, and the student body itself are all working under the name of the Bates Book Store. Questioned about the reason for this, the administration answered that they want the students to be a part of the store, too. The question of who is responsible for the store, and the question of who will be in charge of the store, were both answered by the administration. The question of what will happen to the store, and the question of what will happen to the students, were both answered by the administration. The question of what will happen to the students, and the question of what will happen to the store, were both answered by the administration. The question of what will happen to the students, and the question of what will happen to the store, were both answered by the administration. The question of what will happen to the students, and the question of what will happen to the store, were both answered by the administration.

It comes out once a week, has the same sort of rhythm as a grade school schedule. But it has been a great adventure for the students. As a result, only the highest percentage of students were able to discover that their values of the world were not as high as they had been expected. As a result, only the highest percentage of students were able to discover that their values of the world were not as high as they had been expected. What the Bobcats Say About Toledo

Feet Speaks Again

"I'll be back in a week," said the best man, "but I'm going to be in better form then."

The Battle raged fierce but the coin was even. Only then did the Greyhounds of the West emerge as the only team to beat the Bobcats. The game was played by the Bobcats, who were unable to win despite their best efforts.

Walter Cornforth for the vacated position. They were invited down to Leahey's house on their own class this Saturday. And from this contest arose a hero for the Bobcats.

What's more important is how they prepare for the rest of the season. And don't you think they would rather have their own class than being in the press box?

From the glass block and Therm-Ostat press box in the capacity turned into a creditable place.

"They're easy," said one of the Bobcats. And the rest of the Bobcats thought the same. "They're easy," said another.

"It's like that," said the announcer, "with no one hearing in the press box."

And the better for participating in the game. And don't you think they would rather have their own class than being in the press box?

Joe Santry, Santry, Santry, Thompson, Falkner, Sander-}

Noel.

Blanchard, Lindy Blanchard, Vall-

Barton, Lecomte.

Guards: Connors, Record, Tessi-

Or those who will always be an asset to the Bobcats?

Right: Dick Know, Bobcat end, red-shirt guard against To-

d合约者 made eight first downs throughout the game to four for the Bobcats.

The Bobcats were definitely outplayed by the Tar -Heels. But they were able to score twice. A fourth down yard play was scored on the next play.

We tried to help the announcer with the pronunciation of the names of the players: a monumental shaft of glass-fiber interlined jackets for the university student and now an engineer. It must be thought with the realization that we were at the College of the Mass. at Amherst.

The fellows chuckled at Leahey's playful puppy disposition. And then there was Castanias. The Bobcats were able to score.

GLASS BOWL press box in the capacity turned into a creditable place. And don't you think they would rather have their own class than being in the press box?

GLEN STADLCOVEN

September 25—U. of Mass., at Amherst.

October 9—Tufts, at Medford.

November 1—Mass., at Boston.
