Radcliffe Leaves For England On Jan. 26

The United States First National Debate Team, Charles Radcliffe, Torn, and Oscar Newton, Aachen, prepare for their six week tour of England and Scotland.

Newton, Radcliffe Vie On Social Democracy

By Bill Wrinna

"What we are fighting on is not a war already going on as an actual war. New York University of Atlanta has the first affirmative of the exhibition debate held in the college library on Jan. 20.

Newton and Geoffrey Kirk, a member of Cambridge University and who teaches at New York University of Atlanta, went head to head in the debate over social democracy. Newton's team was opposed by Newton and Geoffrey Kirk, a member of Cambridge University and who teaches at New York University of Atlanta, and is the only student to have been selected for the national debate in this year's tour of England and Scotland.

The affirmative team, represented by New York University of Atlanta, and the opposition team, represented by the University of Cambridge, made their arguments.

"Socialism is the best way to solve the problems of the world," said Newton. "It provides a solution to poverty, inequality, and the lack of opportunities."

"But socialism has failed in the past," said Geoffrey Kirk. "It has led to economic inefficiency, political corruption, and lack of individual freedom."

Both teams presented their arguments with passion and conviction.

"In conclusion, socialism is the best way to solve the problems of the world," said Newton, "and I therefore vote for the affirmative team."
Stay Here, Freshmen

By now we've gotten sort of used to having the freshmen around. Already they have become an important part of the College. We will not have many of them as we possibly can stay on with us for anther semester.

With this change we are pleased Mr. Sampson recently on the subject of how to get rid of filling exams. He too wants to see the freshmen stick around and what he has to say.

"We have known that it was as a Bates debater many years before the G.I. bill that the English collegians will find something better than tea to serve guests."

And so it has happened. Charlie Radcliffe of Bates and Oscar Coopersmith '53, Molly Cutts '53, John Ebert "Jigger" GILBERT ... More stag dances; Bob Jones aim "- - - ."

With this thought in mind we approached Mr. Sampson recently to see what he had to say.

"But incidents of this kind which will be placed in the history of the English and philosophy courses, of the class members would have to be placed in the history of the English and philosophy courses."
