Write Ideas For Moving Picture Plays!

YOU CAN WRITE PHOTO PLAYS AND EARN $25.00 OR MORE WEEKLY

We Will Show You How!

If you have ideas—if you can think—we will show you the secrets of this fascinating new profession. Positively no experience or literary excellence necessary. No "flowery language" is wanted.

The demand for photoplays is practically unlimited. The big film manufacturers are "moving heaven and earth" in their attempts to get enough good plots to supply the ever increasing demand. They are offering $100 and more, for single scenarios, or written ideas.

We have received many letters from the film manufacturers, such as VITAGRAPH, EDISON, ESSANAY, LUBIN, SOLAX, IMP, REX, RELIANCE, CHAMPION, COMET, MELIES, etc., urging us to send photoplays to them. We want more writers and we'll gladly teach you the secrets of success.

We are selling photoplays written by people who "never before wrote a line for publication".

Perhaps we can do the same for you. If you can think of only one good idea every week, and will write it out as directed by us, and it sells for only $25, a low figure,

YOU WILL EARN $100 MONTHLY FOR SPARE TIME WORK

FREE SEND YOUR NAME AND ADDRESS AT ONCE FOR FREE COPY OF OUR ILLUSTRATED BOOK, "MOVING PICTURE PLAYWRITING."

Don't hesitate. Don't argue. Write now and learn just what this new profession may mean for you and your future.

FACULTY ANNOUNCEMENT

ECONOMICS, GOVERNMENT, HISTORY

Changes have been made in some courses in economics, government and history. Students ought to note these in making selections for next year.

Economics 1 will be a year's course instead of one semester as listed in the catalogue. This change is made in order to afford more time for the consideration of practical problems. This course must precede other courses in the same subject.

State and Municipal Government listed in the catalogue as Government 2 becomes 1 and is offered in the first semester. Government 2 (comparative government) given in the second semester, may be elected only by students who have had a course in American History.

History 10 (The Teaching of History) will be given once a week for a year with a credit of two hours. This course will consist of lectures and exercises dealing with aims of history teaching; sequences of various divisions of the subject; organization of material; use of text books and note books; use of maps, charts, outlines, lantern slides and other illustrative material; tests and examinations; types of recitation; lesson planning; the art of questioning; assignment of lessons and other types involving study of the recitation.

BASEBALL

Bates lost to Colby, Wednesday, in a hard-fought battle on Garcelon Field, the final score being 4 to 1. The loss of the game was not felt so keenly as the loss of Capt. Griffin, who sustained compound fracture of the large bone in his right leg, near the ankle. Capt. Griffin has played the back-stop position for three years and was playing for his fourth and last year. Never has he played better ball than he started this season, fielding and batting almost perfectly. The entire student body extends its sympathy to Capt. Griffin and hope that his recovery will be a speedy one. Lord, who will replace Griffin, is a fast catcher, but, of course, has not had the experience of Captain Griffin.

LOCALS

Miss Root and the members of the Sanitation class visited the Turner Center Creamery in Auburn, Monday, May the fifth.

Hazel Leard, '11, was at Chapel, Saturday A. M.

Miss Helen Knight of Westbrook, has recently been the guest of Camilla Smith, '15.

Miss Jeanie Graham has entertained her sister, Miss Esther Graham, who is now visiting at the home of Prof. Alvord of Bowdoin.

An informal reception in honor of Miss Pryor, Dean of Nasson Institute, was held at Rand Hall on Saturday evening, May the tenth.

Miss Pryor, Dean of Nasson Institute, addressed the girls at the Sunday evening Vesper service, on May the 11th, at Rand Hall.

There will be a May Party on the side of Mount David on Saturday afternoon, May the 17th.

The Cheney House girls gave a surprise picnic to Miss Ruth Sylvester, May 8, in honor of her birthday. Nearly all of the girls went up to the river early in the afternoon to make arrangements for the picnic. Later Miss Syl-
vester, escorted by three others, came upon a most unusual and picturesque scene, on a pine slope by the river bank. The girls, in Indian costume, were grouped about a brightly burning camp-fire which threw shadows upon a wigwam a few feet away. After the first surprise and greetings were over, the tribe enjoyed a camp-fire supper. When the cake had been cut, candles blown out and birthday wishes made, the girls reluctantly filed collegeward carrying with them a beautiful memory picture, not soon to be forgotten.

GIRLS’ ATHLETICS

Much enthusiasm is being shown by the girls in the different athletics on these fair days. The various teams have been organized and the work actively entered upon. As almost every work is done with an aim in view so the girls’ department has one in this case—a field day which is planned to be observed in early June. At this time baseball, hockey, croquet, tennis, volley ball, and possibly out-door basketball will be participated in. A silver cup is to be offered to the class obtaining the most points. So eager are the girls to take part in the sports that it is almost impossible to find a convenient time which does not conflict with that of another team for practice games.

INTERNATIONAL PEACE CONFERENCE

Mr. Slade, having won first prize in the Maine Intercollegiate Peace Contests, goes as representative of the State of Maine (and Bates) to Lafayette College, Easton, Pennsylvania, where Tuesday, May 13, the representatives from the Eastern States meet in this higher contest. Of the six representatives of the eastern group of states, two will be chosen to speak at the Nineteenth Annual Lake Mohonk Conference on International Arbitration. The same night, a Western group meet at St. Louis, from which will be chosen also two representatives. These “semi-finals” offer no prizes. The final contests at Lake Mohonk give prizes of $100 and $50. To be one of the six representatives of the East, is no small honor to both Mr. Slade and his Alma Mater.

GLEE CLUB

The annual joint concert by the combined musical clubs of Bates and Bowdoin was held at City Hall last Friday evening. The two clubs include about sixty members. The numbers were all well rendered and the concert a big success from every standpoint.

FACULTY NOTES

FIREPLACE CLUB

The Saturday evening social hour at Rand Hall has been invariably observed since December fourteenth when the Fireplace Club was organized.
On six occasions the Fireplace Club has taken charge of the program and rendered scenes from Shakespeare. On two evenings scenes from Twelfth Night; on two other evenings portions of As You Like It; on another occasion, scenes from The Taming of the Shrew, and on April nineteenth, parts of Much Ado About Nothing were given.
Other forms of entertainments have been musicales with the assistance of Miss Starbird and Miss Girouard, Readings from the Rubaiyat with music, Readings from Old Eng-
lish Melodies by Mrs. Pomeroy and instrumental music by Miss Starbird and songs by Miss Stone.

The red letter days have been observed, St. Valentine’s Day, Washington’s Birthday, Inauguration Day, St. Patrick’s Day. An eighteenth century party with living picture scenes in Washington; and an Irish village fair are among the pleasures of these celebrations of historic days.

On one evening a pantomime of Cinderella, Old King Cole, Lancelot and Elaine, formed the program; on another, an interclass contest of wits resolved itself into the following varied program: The dramatizing of Mother Goose, Tennyson’s Enoch Arden and Burns’ Songs. To get ready for one’s part with the least effort is the ideal of the girls.

Alumnae Contributions to the Fireplace Club:
Mrs. Carl Milliken, $2.00.
