Write Ideas For Moving Picture Plays!

YOU CAN WRITE PHOTO PLAYS AND EARN $25.00 OR MORE WEEKLY

We Will Show You How!

If you have ideas—if you can think—we will show you the secrets of this fascinating new profession. Positively no experience or literary excellence necessary. No "flowery language" is wanted.

The demand for photoplays is practically unlimited. The big film manufacturers are "moving heaven and earth" in their attempts to get enough good plots to supply the ever increasing demand. They are offering $100 and more, for single scenarios, or written ideas.

We have received many letters from the film manufacturers, such as VITAGRAPH, EDISON, ESSANAY LUBIN, SOLAX, IMP, REX, RELIANCE, CHAMPION, COMET, MELIES, ETC., urging us to send photo plays to them. We want more writers and we'll gladly teach you the secrets of success.

We are selling photoplays written by people who "never before wrote a line for publication".

Perhaps we can do the same for you. If you can think of only one good idea every week, and will write it out as directed by us, and it sells for only $25, a low figure,

YOU WILL EARN $100 MONTHLY FOR SPARE TIME WORK

FREE SEND YOUR NAME AND ADDRESS AT ONCE FOR FREE COPY OF OUR ILLUSTRATED BOOK, "MOVING PICTURE PLAYWRITING."

Don't hesitate. Don't argue. Write now and learn just what this new profession may mean for you and your future.

BASEBALL

Bates lost to Maine, Wednesday afternoon, on Garcelon Field by a score of 8 to 5. The day was too cold for good baseball and both teams played ragged ball. Lindquist who pitched all but two innings for Bates, was replaced by Anderson in the eighth. He pitched fine ball for the first five or six innings, but poor support, together with a little hard luck, lost him the game.

SOCIETIES

On Friday evening the first meetings of the Societies were held under the management of the new officers.

At Polymnia the following excellent program was offered:

**Piano Duet** Mary Roberts, '15, Alice King, '16
**Reading** Leon James, '13
**Vocal Solo** Frank Benvie, '16
**Original Part** Lawrence Woodman, '14
**Reading** Gladys Merrill, '15
**Vocal Solo** Verna Corey, '13
**Reading** Leslie Carey, '15

Piæria’s program contained:

**Piano Solos** Miss Freese, '14
**Reading** Miss Wing, '16
**Vocal Solo** Miss Whitney

“What the Debaters Saw at Colgate”
Mr. Packard, '14

The audience took much pleasure in Mr. Packard’s talk, both in the many things he had to say and his interesting manner of saying them. At the end of the program “Jokes and Eats” were indulged in, to a very satisfactory degree.

Europhoria’s program mystified everyone. It read:

**Singing**
**Playing**
**Whistling**
**Joking**

At the Country Post Office
Mail will be opened at 7:30 sharp.
Per order Mater Whatchicalim.”

During the short business meeting Harlene Kane, '16, was elected assistant secretary and Gladys Mower, '16, assistant treasurer. There the real program came. Letters were written by everyone present to every one else present and at 7:30 as designed, the letters were distributed by the postmaster and mistress. Then the letters were read in public to the merriment of everyone. There were piano solos by Sanford, '16, and a comical piano trick by Moulton, '15.

Afterwards games were enjoyed by all.
Dr. Tubbs

Dr. Tubbs closed his courses last week and, with his family, left Lewiston for the South, where he will spend the vacation traveling. It was first announced that ill health would prevent Dr. Tubbs from continuing his courses here next year. But later he decided that by taking a long vacation, he could regain his health sufficiently to permit him to return in the fall. This latter announcement was received with much satisfaction, on the part of the students, especially those who have taken any of his courses. Dr. Tubbs has won the respect and admiration of the students thru his interest in them. He has maintained intimate relations with the students and has been regarded as their close friend. He has not only served the college and the students well in the teaching capacity, but has taken a live interest in student activities. The week before Dr. Tubbs left he gave a very interesting and instructive talk to the Y. M. C. A. on "Evolution and Religion." The admiration with which the students regard him illustrates the influence that a teacher of strong personality may have when he tries to know and serve his students outside as well as within the class room. The Student extends the best wishes of the student body to Dr. Tubbs and family, and hope that he will be able to return in the fall, renewed in health and strength.

Politics Club

The Politics Club has now existed one year. The first year of any organization is usually a critical period in its existence. During this year, the Club, under the leadership of Pres. Cave, has been a success. Its work has chiefly been the study and discussion of municipal politics and government. With the experience of the past year we may predict that the new officers will make the Club a greater success next year. The work of the Club for next year will be principally the consideration of national government and politics. The club has a positive influence in promoting interest in government problems. While we know, and should know something about baseball and football games, we ought to be interested in the great political games of the city, state, and nation. We should not forget that Professor Gould founded this club and that its members are much indebted to him for his interest and support.

SPOFFORD CLUB

At the meeting of the Spofford Club on Thursday evening, the third act of the drama which the Club is writing, was read. At the next meeting the whole drama will be reread, discussed, and the necessary revisions made. Some original material from the old members is due at the next meeting, on May 22, and it is hoped also that the material from the competition may be considered.
LOCALS

The Fireplace Club will give a Shakespeare Pageant on the slope of Mount David on Saturday afternoon, May the 24th, at 2 p.m. Scenes from the comedies and tableaux vivant will be presented. Queen Elizabeth's court will also form a part of the procession. The public is generally invited.

Much interest is being shown in the arrangement of flower gardens and the planting of trees around Rand Hall; cedars and white birches have been planted running down in points from the slope of the hill, to give the impression of embowering the corners in foliage.

Saturday evening, May the 17th, the usual social took the form of preparation for the pageant.

On Wednesday evening occurred the annual election of officers in the Politics Club. President Cave was in the chair and after the opening of the meeting the Treasurer's report for the last year was heard. Elections of new officers were as follows:

President—Charles Marsden, '14.
1st Vice-President—Donald Parmelee, '14.
2d Vice-President—Frederick Smith, '14.
Secretary—Royd Parker, '14.
Treasurer—Karl D. Lee, '14.

At the close of the meeting a vote of thanks was extended to President Cave for the labor and care which he has taken to make the work of the Club so interesting.
WHO CARES?
Castle building, did you say?
Sunshine in your heart,
Toiling faithfully each day,
So to do your part?
Caught a look within his eyes
Made you fear the dream?
So the castle ruined lies
By this babbling stream?

Come away! beyond the hill
Other valleys shine;
Birds are singing blithely still.
Put your hand in mine.
Aching heart? There’s never time
E’en for memory,
If you dry your tears and climb
Up the hills with me

BELLO ES VIVIR
(Adapted from the Spanish)
How glorious to live!
To feel the harmony of life; to see
Great crags uplifted to the summer sky
The rush of many waters, and to hear
Their roar re-echoing to the sounding wood.
The air is vibrant in the noonday sun.
Touched with the fragrant spirit of the flow- ers.
How wonderful—to live!
Alone at night to look into the sky,
The moon grows brighter as the sky grows dark
The vesper tapers of the stars are set,
Bright prayers of sparkling hope to light
The arched cathedrals of the universe
And stir to awe the sleepy world below.

Over the mountain, come the tints of day,
The fairy-fires that shall burn away
The trailing mist-clouds. All the air is rife
With swirl and flutter, whispers of the morn
The earth waits breathless still, with notes new- born,
The nightingale shall sing her song—of life.
